RE: CHANGE IN OWNERSHIP, ASSIGNMENT OF PERMIT AND/OR ASSIGNMENT OF APPLICATION FOR PERMIT FOR: 15-7252, 15-7134, 15-7142, 15-7412, 15-7413, 15-7335 and 15-7382

Dear Claimant:

It has come to our attention that you may have recently purchased a tract of land in Oneida County. The property to which I am referring was most recently owned by North Ridge Farms LLC or Tyler Hoopes. The legal description includes but not limited to land within the following:

Township 16 South Range 36 East Section(s) 15, 16 & 21

Enclosed is a Change in Ownership form. Please fill out the form(s) completely, sign and date it and return it to our office along with the proper fees, a "copy" of your Warranty Deed and legal description of the property you have purchased.

Also enclosed is an Assignment of Permit and an Assignment of Application for Permit. Please fill out the form(s) completely, because the applications and permits are considered personal property until they are licensed the assignments will need to be signed and notarized by the previous owner. An assignment can be complete through an ownership change only if the permit or application are specifically listed on the conveyance deed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department within 120 days. Failure to report these changes could result in a \$100.00 late filing fee. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

If you have any questions regarding this matter, please call 525-7161.

Respectfully submitted,
