I reviewed the arial aerial photos that you attached and they seem to be out of date. In another couple of emails I have attached photos of the work that has been done thus far except for a pump house that has been built over the spring box (I don't have any photos of the pump house otherwise I would have attached them as well). Please let me know if you need anything else.

Thank you!

The Department of Water Resources is in the process of reviewing permit 95-17677 for licensing.

According to the application you filed, this water permit is supposed to be for a shop with living quarters. Aerial photography doesn't show any type of structure on the property. And Kootenai County doesn't list any improvements for the property as of 10/5/2019. Attached are maps that show no buildings. Has anything been built? Do you park a trailer or RV on the property?

Please provide the Department with documentation and photos showing some sort of structure on this property within 30 days or steps will be taken to void this permit. You can provide the documentation by replying to this email or mail to: IDWR, PO Box 83720, Boise, ID, 83720-0098. Please let me know if you have any questions. Thank you.
