Hello,

The above referenced applications have received a protest from the L-9 Water Users Group. You should receive a letter acknowledging the receipt of these protests by next week. However, the department would like to move forward in this process and schedule a pre-hearing conference for transfer applications 83530 and 83535 in the name of McFarland Livestock Co. Inc. We would like to schedule this conference sometime during the first 3 weeks of December, between 12-02-2019 and 12-20-2019.

Please send me any dates that you are UNAVAILABLE during this timeframe within 14 days from the date of this email.

Thank You,
