Application For Permit No. 96-9775

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNER COUNTY DAILY BEE on 11/7/2019 and 11/14/2019. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Hi Nathan:

The staff person at the Idaho Dept. of Water Resources suggested to me that I change one word from "irrigation" to "domestic" on your application, and to have you send me an e-mail saying this was okay.

Please respond saying this was okay to amend your application.

Thanks.
