 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.

PO Box 83720

Subject: *Cloud Berry Water Bank Lease Applications (7)*
Legacy Community Association Ownership Change Notice
Legacy Community Association Water Bank Lease Applications (5)

Dear Jean,

Enclosed on behalf of Cloud Berry, LLC and Legacy Community Association Inc., are applications to lease portions of water rights 63-5092, 63-331970, 63-10700, 63-32958, 63-32960 and, in the case of Cloud Berry, all of rights 63-5094 and 63-10557 to the water supply bank that will supersede applications previously submitted by Cloud Berry.

The water rights listed above are currently in the name of Cloud Berry LLC, however due to recent development, Cloud Berry no longer owns all the property where the water rights are appurtenant. As a result, the water being leased to the bank for Cloud Berry represents water appurtenant to:

1. parcels owned by the developer; either Cloud Berry LLC, Brahma LLC, White Sturgeon LLC, or Horseshoe Flats LLC (all affiliated)
2. parcels where developer has retained the appurtenant water on the warranty deed

Supporting documentation for items 1 and 2 includes:

Attachment A – IDSOS annual statements for the Cloud Berry, Brahma, White Sturgeon and Horseshoe Flats developing companies. Brahma, White Sturgeon and Horseshoe Flats are managed by Developers Services Inc., for which Brian McColl is President and has provided a statement authorizing Cloud Berry to lease the water appurtenant to the property owned by Brahma, White Sturgeon and Horseshoe Flats into the bank. The manager for Cloud Berry is Justin Martin, who signed the lease applications.

Attachment B – warranty deeds for property owned by developers Brahma LLC, White Sturgeon LLC, or Horseshoe Flats LLC.

Attachment C – warranty deeds for sold parcels specifying water was retained by the developer. Note, water will continue to be retained by the developers on all future parcel sells.

Attachment D – spread sheet indicating parcels/owners affiliated with the water being leased to the bank by Cloud Berry LLC.

Legacy Community Association Inc. (LCA) is the homeowners association for part of the Cloud Berry development. Cloud Berry did not retain water rights from the LCA parcels. Rather than quitclaim the appurtenant water back to Cloud Berry, LCA would rather submit their water right portions to the bank in their name. To do so requires a *Notice of Change in Water Right Ownership*, which has been included in this application package as Attachment F. The Director of LCA is Justin Martin, who signed the LCA lease applications.

Attachment E – spread sheet indicating parcels owned by LCA with appurtenant water being leased to the bank by LCA.

Attachment F – *Notice of Change in Water Right Ownership* and associated warranty deeds for LCA's water right portions being leased to the bank.

Following Attachment F are the lease applications, W-9 forms and all-inclusive map. GIS analysis tools were used to determine the acre portions of each water right appurtenant to Cloud Berry and LCA affiliated properties. Split trees and grid tables have been included with each application showing how the associated leased flow rates and volumes were determined.

The fees for the enclosed Cloud Berry applications have been paid with the previous submittal. The filing fees for LCA five applications is \$1250 (\$250/app). The filing fees for LCA's ownership change notice is \$500 (\$100/water right split). Check number 1680 is enclosed for the \$1750 total amount due. Thanks for your help Jean. Please let me know if there are any questions.

Sincerely,
