PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 1-10626

Dear Permit Holder:

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

RE: Permit No. 1-10626 – Statement of Completion of Beneficial Use

Dear Permit Holder(s):

The Department received the proof of beneficial use (proof) form you submitted for the above referenced permit. I am returning the form to you because information provided on the application is not sufficient. Please address the following items on the form:

- A \$50.00 license examination fee was submitted with the proof form. This permit authorizes a diversion rate of 585.0 cfs (cubic feet per second) which would require a license examination fee of \$600.00. Please submit the remaining \$550.00 of the required fee. If the additional fee is not received the diversion rate on license, if issued, might be limited to a lessor rate than authorized on the permit because of the fee paid.

Please submit the additional fees requested at your earliest convenience before the proof due date of **November 01, 2019** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287- 4920.

Sincerely,

Debbi Judd
