Re: Change in Ownership for Water Right No(s): 55-2107, 55-7397

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 334-2190.

Sincerely,

Kensie Thorneycroft

RE: Water Right Change in Ownership No(s): 55-7397, 55-2107

Dear Interested Parties:

The Department of Water Resources (Western) acknowledges receipt of your Notice of Change in Water Right Ownership. Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

_____ Evidence of Water Right Ownership: copy of Deed indicating your ownership of the property and/or water rights in question including a legal description of the property.

During our review of the documentation you submitted we found that only a mortgage was given to show ownership going to Bruce Ranch LLC. This type of document is invalid proof of ownership of the land and a deed such as a warranty deed including a legal description of the property location is required to show ownership of the land and water right. The mortgage is an acceptable document for the addition of the Security Interest of Farm Service Agency to the water rights.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days (10/25/19) we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 334-2190.

Sincerely,

Kensie Thorneycroft
