Subject: Notification of Change of Ownership

Hello Steve and Mary,

You probably need to file a [Notice of Change in Water Right Ownership](#). The previous link will take you to the form. The last two pages of the form have additional instructions for filling out the application.

Typically the ownership of a water right changes with the ownership of the land, but the State's water rights records do not automatically update. The Department requires that the new property owners file the Notice of Change in Water Right Ownership.

I found two water rights that list Elwood and Mary Gray as the owners: 65-8002 and 65-17205. The water rights appear to be associated with different properties.

I hope this information helps. Please call us back if you have additional questions.

Subject: transfer water rights

I am trying to find out how to transfer the water rights my parents had on a parcel of property. My father, Elwood H. Gray and Mary A. Gray have both passed. At the time they established their water rights their address was 1305 Johnson St. Boise ID 83705. My father died first, then my mother transferred the lot to my wife and I but the water rights were not transferred. Can you tell me how to transfer the water rights to us? Thank you for your time.

RE: Change in Ownership: 65-8002, 65-17205

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

☒ Filing Fee of \$25 per water right

Effective July 1, 2000, the legislature enacted House Bill No. 545 requiring a filing fee for a change in water right ownership. The fee is \$25 per water right, except for ownership changes resulting in the division of a water right, which is \$100 per water right. All ownership change notices received after June 30, 2000 must include the appropriate filing fees in order to be processed. We have determined that the filing fee for your notice will \$50.00

Because the Department cannot process the Notice without proper fees, we will hold any action on your notice pending receipt of the necessary fees. If we do not receive the necessary fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at Amanda.veibell@idwr.idaho.gov or (208) 287-4802.

Sincerely,

Amanda Veibell

Re: Change in Ownership for Water Right No(s): 65-8002, 65-17205

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at Amanda.veibell@idwr.idaho.gov or (208) 287-4802.

Sincerely,
