Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on August 6, 2019. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed:

- **4 - Point of Diversion(s)**
 - The ¼ ¼ description of the point of diversion is incorrect. According to the provided map, the proposed point of diversion is located in the NE NE ¼ ¼. Please amend.
 - Source in the item 4 table should match the source listed in item 3, "Middle Fork Weiser River". Please amend.
- **11 - Ownership**
 - The current tax lot data shows a different property owner at the point of diversion. This needs to be clarified further to prove current ownership by the applicant or provide an easement of land agreement from the current owner.
- **Map**
 - The map must be amended to identify a place of use area. This place of use must match the description given in the item 9 table.

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit within the next thirty (30) days. If IDWR does not receive your written response within thirty (30) days, a refund will be issued for this filing. This letter is an attempt to ensure that your application is complete in order to establish a priority date. You may receive future correspondence regarding more specific details of your application. IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please consult the IDWR website or contact this office at 208-334-2190 and ask for the "office day person" if you have any questions about the necessary information or fee.

Sincerely,

Western Region Water Rights Staff
