RE: Change of Ownership 22-10039, 22-2202 and 22-13104

On July 19, 2019 the department received an ownership change for the following three water rights:

22-2202, 22-10039 and 22-13104

All were complete except 22-10039, adding an additional water right 25-12574.

Water Right number 22-10039 could not be complete due to inconsistencies with the water right place of use and point of diversion and the property purchased.

During the adjudication water right number 22-10039 and 22-12901 were incorrectly connected (comments for each application were duplicated). Once water right 22-10039 was decreed it was decreed partially like the original 22-10039 claim and partially like the 22-12901 original claim.

Original Claim 22-10039

Owner	POD	POU
The Cave Family Trust	SE NE Section 3 T 5 N R 40E	SWNE Section 3 T 5 N R 40E

**In the file there is an ownership change Cave Family Trust to Gary Ball Inc.

Partial Decree 22-10039

Owner	POD	POU
Gary Ball Inc	NWNENE 13 T6N R42E	NENE 3 T5N R40E

**Short Section there is no NENE Section 3 (POU) furthest section to the North is SENE Section 3 T5N R40E

In order to correct the POU and POD a minimum fee transfer is required. There does appear to be enough information in the back file to prove this was decreed in error.

Note: water right numbers 22-10039 and 22-13104 appear to be duplicate rights. 22-10039 could be abandoned rather than file the transfer, however water right number 22-10039 has the earlier priority date.
