Re: Transfer of Water Right No. 15-2056

Dear Mr. Cordingly:

This letter is meant to notify you of an Application for Transfer which was recently filed with IDWR involving water right no. 15-2056. This water right belongs to Robert and Sandra Evans and authorizes the irrigation of 223 acres. A portion of the place of use includes land in the northeast quarter of the northeast quarter of Section 15, T14S, R35E. Oneida County tax parcel data indicates that Caralea Stack and Brett Cordingly owns the land within that quarter-quarter.

The Application for Transfer filed by Robert and Sandra Evans seeks to correct the legal description of the point of diversion and consolidate the place of use onto the Evans property. Please refer to the enclosed maps to compare the current and proposed places of use. Because a portion of the water right place of use currently includes land that belongs to you, IDWR feels it is important to notify you prior to approving the proposed changes.

Please contact me if you would like to discuss this matter in greater detail. If we do not receive a protest from you by October 28, 2019, we will assume that you have no objection to the proposed transfer.

Sincerely,
