- a. Describe the complete diversion system, including how you will accommodate a measuring device and lockable controlling works should they be required now or in the future:

- b. Who owns the property at the point(s) of diversion? _____
If other than the applicant, describe the arrangement enabling the applicant to access the property for the diversion system:

- c. Are the lands from which you propose to transfer the water right subject to any liens, deeds of trust, mortgages, or contracts? **If yes,** ☐ attach a notarized statement from the holder of the lien, deed of trust, mortgage or contract agreeing to the proposed changes on official letterhead signed by an authorized representative. Label it **Attachment #6**. List the name of the entity and type of lien: _____

It is the applicant's responsibility to provide notice to lien holder, trustee, mortgagor, or contract holder of the proposed changes that may impact or change the value of the water rights or affected real property. Any misrepresentation of legal encumbrance on this application may result in rejection of the application or cancellation of an approval.

- d. Are any of the water rights proposed for transfer currently leased to the Water Supply Bank?
If yes, ☐ complete Attachment WSB.
- e. Describe the effect on the land now irrigated if the place or purpose of use is changed pursuant to this transfer:
It will be dried up.

- f. Describe the use of any other water right(s) for the same purpose or land, or the same diversion system as right(s) proposed to be transferred at both the existing and proposed point(s) of diversion and place(s) use:
At the proposed place of use, 34-397, which will be moved in a companion transfer.

- g. To your knowledge, has/is any portion of the water right(s) proposed to be changed:

Yes No

- | | | |
|--------------------------|--------------------------|---|
| ☐ | ☐ | undergone a period of five or more consecutive years of non-use, |
| ☐ | ☐ | currently leased to the Water Supply Bank, |
| ☐ | ☐ | currently used in a mitigation plan limiting the use of water under the right, or |
| ☐ | ☐ | currently enrolled in a Federal set-aside program limiting the use of water under the rights? |

If yes, describe:

The answer is no to all the questions except the first one about 5 consecutive years. Marilyn's husband died several year ago after being in a wheel chair for a number of years. She is financially and physically unable to fully utilize the entire water rights. In 2014 she allowed us to make an emergency transfer for the water rights, Some of them were used on our property and she used the remaining water rights to irrigate a portion of her property the transfer number is TC-34-117.

RE: Transfer No. 83566
Water Right No(s). 34-2386, 34-264, 34-265, 34-434, 34-7233

Dear Applicant(s):

The Department of Water Resources has received your water right transfer application. Please refer to the transfer number referenced above in all future correspondence regarding this transfer.

A legal notice of the application has been prepared and is scheduled for publication in the ARCO ADVERTISER on 10/3/2019 and 10/10/2019. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the approval document.

Please contact this office if you have any questions regarding the application.

Sincerely,

Christina Henman

RE: Application for Transfers 83566, 83607, 83628

Dear Watermaster:

A copy of each of the above referenced applications is enclosed. Please review the applications, then complete the enclosed recommendation forms and return them to this office within 21 days of the date of this letter.

IDWR's regional offices can finish reviewing an unprotested application as soon as the protest period has past. Your prompt response to this request will ensure that your recommendation can be considered during regional review. If IDWR has not received your written recommendation within 21 days from the date of this letter, IDWR will presume that you do not oppose approval of the application and that you have no comments for IDWR to consider.

Please contact this office if you have any questions regarding the application.

Sincerely,

Christina Henman
