Re: Application for Transfer of Portion of Water Right No. 35-8021 to be Moved to the Black Hawk and Iron Rim Subdivisions.

Dear Blake:

Enclosed for processing is a completed *Application for Transfer of Water Right* submitted on behalf of Wayne Properties, LLC. The transfer proposes to move 5 acres of 35-8021 to be used within a permissible place of use consisting of the Black Hawk and Iron Rim Subdivisions. This is similar to prior transfers that have been processed without protest consistent with an existing agreement between the applicant, IGWA, and the Surface Water Coalition. We have also included the required \$200.00 filing fee.

This transfer will reduce the 213-acre shapefile down to 208 acres, and we will email the 208-acre shapefile upon request.

Finally, I am directing this transfer to your attention because you are familiar with these subdivisions. We recognize that you may assign this to be processed by another agent within the Department. If he or she has any questions regarding the transfer, please tell them to give me a call at 208-523-0620. We appreciate your attention to this matter.

Best regards,

Robert L. Harris
