RE: Notice to Correct Water Right Compliance Issues

Dear Water User,

It has come to our attention that there are some potential water use issues at the Box Canyon Dairy located within SWSW, SESW, SWSE and SESE of Sec. 25, Twp 08S, Rge 14E, Gooding County. These issues are as follows, 1.) In the SWSE of Sec. 25, Twp 08S, Rge 14E, there is an active well used at the dairy that currently is not associated with a water right. It appears this well should be added to water right 36-4151B. 2.) An irrigation well associated with water right 36-4151A appears to currently irrigate a pivot larger than the 18 acres allowed by the water right. It is unclear if there is another source of water for this pivot. Please consult with a water rights professional or IDWR water resource agent to resolve these water right compliance concerns.

Please feel free to contact me at 208-736-3033 if you have any questions.

Respectfully,

David Graybill
