Re: Renumbering Water Right 37-21717 under Transfer 83284

Purpose: Transfer 83284 moved ground water right 37-21717 from one basin to another into a different county. The transfer was approved with the wrong basin number and point of diversion (POD) County. Water right 37-21717 (parent right) has been renumbered to 36-17163 (child right) correcting the error. The POD County has been corrected from Gooding County to Jerome County.
