RE: Change in Ownership in water right no(s): 29-7130

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

****** Evidence of Water Right Ownership:** The department received a Warranty Deed and a Quit Claim Deed for 2 parcels located in the SWSW Section 2 T9S R34E, which is the place of use of the water right. However because these deeds are not from the current owner of the water right a full chain of title is required. Please supply copies of the deeds going back to the current owner of the water right Orval Hillard. Also we need a copy of the recorded Quit Claim Deed dated May 1, 2016 for the W1/2 SWSW Section 2 T9S, R 34E. Please note the deed for the E1/2 SWSW of the section above goes into John and Teressa Oborn, JD and Ashlynn Oborn and Dillon and Tessa Anderson, if the property should go into your name only please supply a deed showing the property going into your name only.

Because the Department cannot process the Notice without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary documentation/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit/water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg
Technical Records Specialist 1
