RE: Change in Ownership in water right no(s):15-2039B & 15-7146

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- **** **Evidence of Water Right Ownership:** According to the notes on the file, you filed an ownership change on behalf of a subdivision. We have your full application, however signatures for an ownership change application from all the neighbors is required. You working on getting those signatures in order for the ownership changes to be complete at the same time. As of today the department has not received the other ownership change forms.
- **** **Filing Fee:** Also the department received a filing fee of \$100.00, however because there are two water right the filing fee for a split ownership change is \$200.00 (2 water rights X \$100 (filing fee per water right = \$200.00). Please supply the additional \$100.00.

Because the Department cannot process the Notice without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary documentation/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit/water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,
