RE: Change in Ownership in water right no(s): 34-14355, 34-14357, 34-14359, 34-14361, 34-14363, 34-14365, 34-10044 and 34-10045

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** On May 30, 2019 the department notified you that that the ownership change filed for the water rights listed above may require split. According to the place of use of the water right and you property boundary descriptions you did not purchase the entire place of use. The department was later informed that the water rights were supposed to all go to your ground and that remained parcels would be sold without water rights. As of today the department has received a deed deeding you all the water rights however **we have not received a release from the property owners or a transfer application** to change the place of use of the water rights off the ground you did not purchased and on to property you do own.

Because the Department cannot process the Notice without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary documentation/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit/water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg
Technical Records Specialist 1
