RE: Change in Ownership in water right no(s): 22-2202, 22-10039 & 22-13104

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

- **** **Evidence of Water Right Ownership:** According to the records filed with the department the current owner of the water rights listed above is Gary Ball Inc. The deed provided with your application is from Gerald K Ball and JoAnn Ball husband and wife. Please supply a full chain of title back to Gary Ball Inc, possibly a deed from Gary Ball Inc to Gerald K and JoAnn Ball.
- **** **Additional Filing Fee:** During our review the department found that water right number 25-12574 appears to be appurtenant to your property also. Please review the map showing the place of use of that water right if you believe you should be listed as the current owner please submit an additional \$25.00 filing fee.
- **** **Transfer Application/Abandonment:** Also there appears to be some discrepancies with the water right number 22-10039. It appears there was an error sometime during the adjudication, then the water right was decreed containing that error. The water right POU/POD is incorrect. This can be corrected with a transfer application. The transfer can be filed at a minimum fee because there is enough evidence in the back file to support that it was decreed in error. Another option would be to abandon that water right because water right 22-13104 appears to be the same, however the property date on 22-10039 is earlier.

Because the Department cannot process the Notice without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary documentation/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit/water right holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me at (208) 497-3787.

Sincerely,

Jonie Barg
