Re: Change in Ownership for Water Right No(s): 36-14193

Dear Mr. Sirucek:

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) solely to you. The Department has modified its records accordingly, and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

Thank you for your patience & cooperation in this process. If you have any questions concerning the enclosed information, please contact me at (208) 293-9908.

Sincerely,

Denise Maline

RE: Change in Ownership for Water Right No. 36-14193

Dear Ms. Denise Maline, Administrative Assistant 1:

This letter is in response to a letter dated May 29, 2019, concerning a change in ownership of several water rights, in conjunction with a closing conducted through First American Title. I have attached the letter for reference, just in case.

According to the letter, you need additional documentation in order to remove Becky Sirucek's name. In accordance with your request, I have attached the following documents:

1. **Quitclaim Deed, April 29, 2019**
2. **Quitclaim Deed, 9/8/2015, No. 2153453**
3. **Quitclaim Deed, 9/8/2015, No. 2153454**
4. **Quitclaim Deed, 9/8/2015, No. 2153455**
5. **Property Settlement Agreement, 9/8/2015, Jerome County No. 2153451**

With the above documents, signed by Becky Sirucek, it is clear has no rights and/or interest to the real estate and any appurtenances, attachments, water rights, water shares, etc., associated with the real estate.

Please remove Becky's name, as well as Jim and Karen Siruceks'. Please send me a copy of the water right once the ownership changes have been made.

Thank you,

Michael Sirucek

Re: Change in Ownership for Water Right No(s): 36-16957, 36-16959, 36-16961

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

In addition, department records indicate that water right 36-14193 for domestic and stockwater uses may also be appurtenant to this property. A copy of this water right is enclosed for your reference.

If you wish to update the ownership on this water right, you may do so by submitting the \$25 filing fee, along with sufficient documentation. The Grant Deed received on May 23, 2019 is sufficient to remove James and Karen Sirucek's names from this water right. However, we will need sufficient documentation removing Becky Sirucek's name from the water right and appurtenant property.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,

Denise Maline

Subject: James Sirucek and Mike Sirucek Water Rights

Hi Jess,

I am working on a change of ownership for the Sirucek's and noticed that Paul Arrington is listed as the attorney. I attached a copy of one of the water rights, for reference. I know this dates back to when Paul was with Barker Rosholt, however we probably need to update our records.

My question is – did someone in particular take over all of Paul's clients? Or were they split up amongst different attorneys? Any help you can provide is much appreciated.

Hope you are having a good day,

Denise
