RE: Transfer Approval 83256

Dear Water Right Holder:

It has come to our attention that the map included with Transfer Approval 83256 was incorrect. The map attached to the transfer approval depicted the place of use for water right 29-12955, which is a BLM stockwater right. The map should have depicted the places of use for water rights 29-2039, 29-4444 and 29-13955. Enclosed is a map showing the point of diversion and places of use for the rights included in Transfer 83256. I apologize for the error and any confusion it may have caused.

Sincerely,

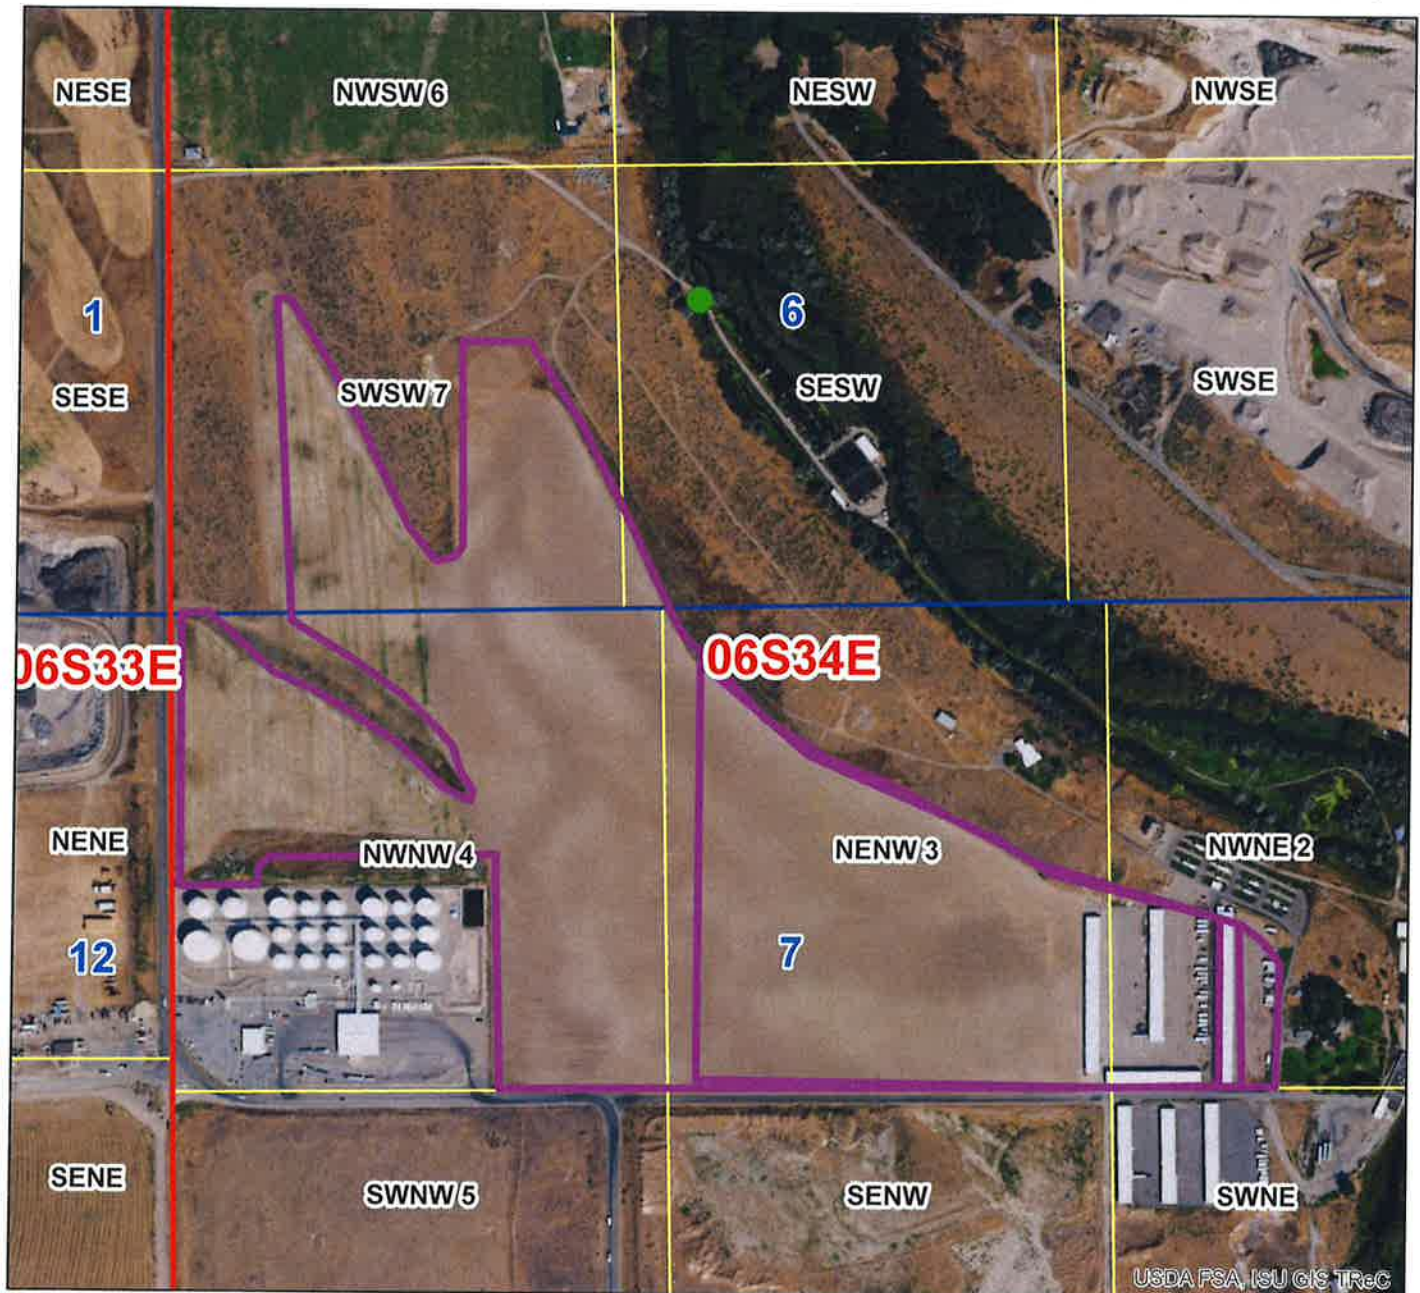

A handwritten signature in black ink, appearing to read 'J. Cefalo', is written over a light blue horizontal line.
