RE: Water Right No(s): 41-7022, 41-24 B Change in Ownership & Security Interest

Dear Interested Parties:

The Idaho Department of Water Resources (Department) received a Notice of Change in Water Right Ownership and a Notice of Security Interest from D L Evans Bank on April 25, 2019, for the above referenced water rights. The Notices indicated that Delford Ralphs is the current owner and that D L Evans Bank is a security interest holder for these rights.

On July 29, 2019, the Notice of Security Interest was processed. However, upon further review, the Department determined that these water rights are not appurtenant to the property conveyed in the quitclaim deed submitted with the Notices. On July 31, 2019, the Department requested additional information. I spoke by phone with Delford Ralphs on August 6 and he confirmed that the water rights referenced above are not appurtenant to his property. Rather, he indicated that he holds shares in the Bench Ditch Irrigation Company to irrigate the property. Therefore, neither the ownership change nor the security interest are applicable to this property and should not be processed.

The Department is returning the Notice of Change in Water Right Ownership and Notice of Security Interest and the attachments. A refund of \$100 has been requested and will be mailed to D L Evans Bank under separate cover from the Idaho State Controller's Office.

If you have any questions regarding this matter, please contact me or Denise Maline at (208) 736-3033.

Sincerely,

Allison Inouye

RE: Water Right No(s): 41-24B, 41-7022 Change in Ownership

Dear Interested Parties:

The Department of Water Resources (Department) acknowledges receipt of your Notice of Change in Water Right Ownership (Notice).

Our review of your Notice indicates that additional information is required before the Department can process the change. The information required is indicated below:

 X Evidence of Water Right Ownership: copy of Deed, Title Policy, Contract of Sale, or other legal document indicating your ownership of the property and/or water rights in question

During our review of the documentation you submitted we found discrepancies between that documentation and the legal description of the place of use for the water right(s) indicated in your notice. I have enclosed a copy of the water right(s) for your reference. The place of use of these water rights does not lie within the lands described in the quitclaim deed.

Because the Department cannot process the Notice without proper documentation, we will hold any action on your notice pending receipt of the necessary information. If we do not receive the necessary information within 30 days we will return your notice and all attachments and your notice will not be processed.

Also, please note that permit holders are required to report any change of ownership and/or mailing address to the Department within 120 days of the change. Failure to report these changes could result in a \$100 late filing fee. Forms to assign ownership or update your address are available from any office of the Department or on the Department's website.

If you have any questions regarding this matter, please contact me or Denise Maline at (208) 736-3033.

Sincerely,
