Re: Application for Permit 87-11350 (Latah County parcel) (Rule 35 Application Requirements)

Dear Mr. and Mrs. Groeneveld:

Idaho Department of Water Resources (IDWR) received your Application for Permit on July 26, 2019 to divert water from a spring for domestic use in Latah County. Please be advised that your Application is currently unacceptable for filing due to a required legal description correction. The required correction has been sent to you in an e-mail message earlier today.

An Application that is acceptable for filing must be received no later than August 30, 2019. IDWR will take steps to terminate the Application, if no response is received, in accordance with Idaho Code § 42-204.

Respectfully,

Shaun M. Maxey
Sr. Water Resource Agent

Mr. or Mrs. Groeneveld:

Thanks for sending in your completed Application with the required filing fee (\$100). Your Application has been assigned ID Number 87-11350.

Your Application contains one minor legal description error that requires correction. Currently Page 1, Line 4 of your Application (location of Point of Diversion), contains a '...5...' in the Government Lot Column. This disagrees with your application Map which has no Government Lot. Please initial and date a correction on the enclosed copy of your Application and return it to me, via U.S. mail, at IDWR Northern Region office. I have provided an example 'Do Not Return page 1' in the attachment.

A copy of this e-mail will also be sent to you via U.S. mail.

Please contact me at the Northern Region IDWR office (208) 762.2816 if you have questions.

Mr. or Mrs. Groeneveld:

You should have received a letter from me, dated 7/8/2019, by now indicating that Idaho Department of Water Resources (IDWR) received no fee (\$100) with your Application For Permit.

Please note that your Application must have your original signatures and that your current Application shows a non-standard amount (.02 CFS) for domestic use.

RE: Rule 35 Incomplete Application for Permit– No Fee Payment

Dear Mr. and Mrs. Groeneveld:

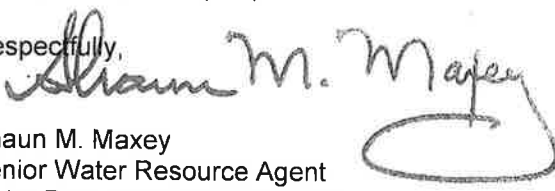

Idaho Department of Water Resources (IDWR) received your Application for Permit on July 8, 2019 to use Groundwater for Domestic purposes on Latah County parcel RP40N04W083638. The required \$100 fee was not with the Application. Your original Application, that is unacceptable for filing, is enclosed.

Idaho Administrative Code (Rule 35 Water Appropriation Rules IDAPA 37.03.08) requires that an Application for Permit be submitted with the required fee (\$100) to be acceptable for filing. Payment of the fee with the completed Application is required before IDWR can publish accurate legal notices and continue Application processing.

Please telephone me for assistance concerning the amount of water you intend to use, if you have any questions, or contact me for an appointment at the IDWR Northern Region office by no later than August 14, 2019. Please submit a written request, with your fee payment, if you need additional time to complete your Application. IDWR can grant additional time upon a showing of good cause for the delay.

I can be reached at (208) 762-2800.

Respectfully,

Shaun M. Maxey
Senior Water Resource Agent
