Application For Permit No. 98-7997

Dear Applicant(s):

The Department of Water Resources has received your water right application. Please refer to the number referenced above in all future correspondence regarding this application.

A legal notice of the application has been prepared and is scheduled for publication in the BONNERS FERRY HERALD on 5/16/2019 and 5/23/2019. Protests to this application may be submitted for a period ending ten (10) days after the second publication.

If the application is protested, you will be sent a copy of each protest. All protests must be resolved before the application can be considered for approval. If the protest(s) cannot be resolved voluntarily, the Department will conduct a conference and/or hearing on the matter.

If the application is not protested, the Department will process your application and notify you of any action taken on the application. If your application is approved, the Department will send you a copy of the permit.

Please contact this office if you have any questions regarding the application.

Sincerely,

Tammy Alleman
Administrative Assistant

MEMORANDUM

To: Water Right Application 98-7997

From: Adam Frederick AF

Date: 4/25/2019

Re: Application for a Permit to Appropriate Water within the State of Idaho.

An application was submitted on April 19, 2019 in the name of Idaho Forest Group LLC for industrial and fire protection. It was determined the applicant had left off two 40 acre tracts on the application place of use grid. The applicant added the two 40 acre tracts and resubmitted application on April 24, 2019. Because this is an enlargement, the priority date will be advanced to April 24, 2019.
