PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 98-7940

Dear Permit Holder(s):

The Department acknowledges receipt of the proof of beneficial use form submitted for the above referenced permit. The next step in the process of developing a water right is for the Department to conduct a field examination to determine and confirm the use being made of the water.

On July 1, 2019, the Department received a letter from you requesting withdrawal of your Request for Extension of Time ("Extension Request") form. I am returning your Extension Request form to you as an unprocessed document. The fee you paid at the time of filing the Extension Request form has been reapplied towards the Statement of Completion for Submitting Proof of Beneficial Use (Proof) process.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the Department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any Department office or at the Department's website at www.idwr.idaho.gov.

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block

Re: Modifications Needed to Receipt ID No. C107017

Dear Sascha,

The money paid under this receipt for a Request for Extension of Time needs to be reapplied towards a Proof of Beneficial Use form that was submitted to replace the Request for Extension of Time form submitted in error. The amount of money that is to be reapplied to the Request for Extension of Time is the same amount that was originally paid (\$50.00).

Please modify this receipt under the comments field to read: Proof of Beneficial Use for Permit No. 98-7940

Also, please modify the fee details description from Extensions to Beneficial Use and PCA 56104 instead of 56103.

Thank You,

😊 Darla
