PROOF DEFICIENCY LETTER

RE: Permit No. 95-11088

Dear Permit Holder(s):

The Department received the Beneficial Use Field Report (Field Exam) submitted for the above referenced permit.

I am returning the Field Exam to Northwest Groundwater Consultants, LLC because the Field Exam is considered unacceptable without the Statement of Completion for Submitting Proof of Beneficial Use (Proof) form. Please address the following item:

- The Proof form must be included as part of the Field Exam.

Enclosed is a Proof form for your use. Please resubmit the Field Exam with the required Proof form at your earliest convenience before the proof due date of **February 01, 2020** to avoid the possibility of your permit lapsing. If you have any questions concerning this matter, please contact me at (208) 287-4945.

Sincerely,

Darla Block
