RE: Permit to Appropriate Water 97-7367

Dear Permit Holder(s):

I am planning to conduct water right examinations in the vicinity of the above-referenced permit sometime in August or early September of 2018. An examination is a necessary step in the water appropriation process. During the examination, I will verify your water uses pursuant to your permit (copy enclosed).

In order to conduct your exam as efficiently as possible, please call me at (208) 762-2800. Please be advised that you will need to operate your system under normal conditions during the examination.

I look forward to meeting with you and working towards finalizing your permit.

Sincerely,

Adam Frederick
Senior Water Resource Agent
