PROOF ACKNOWLEDGEMENT LETTER

RE: Permit No. 95-17523

Dear Permit Holder(s):

The department acknowledges receipt of the Proof of Beneficial Use ("proof") form and license examination fee submitted for the above referenced permit.

During review of your proof statement and the permit listed above, I noticed that you stated a diversion volume greater than the maximum diversion volume allowed under this permit. You stated on your proof that your total diversion volume is 377 acre-feet (af), however, this permit authorizes a maximum diversion volume of 188.5 af. Diversion of water under this permit is limited to the authorized amount.

In addition, I noticed the extent of uses allowed under this permit do not match the use listed on your proof form. There is no stockwater use listed on this permit, and the number of irrigated acres allowed under this permit is 53.1 acres. Your irrigation use must not exceed the total number of irrigated acres allowed under this permit. I have enclosed a copy of your proof statement and this permit for your reference.

You may apply for another permit to cover additional water use if needed. Application for Permit forms are available from any department office or at the department's website at www.idwr.idaho.gov

A \$175.00 license examination fee was also submitted with the beneficial use form. This permit authorizes a diversion rate of 188.5 af requiring a license examination fee of \$125.00. The \$50.00 portion of the submitted fee in excess of the required amount will be returned to you in a separate mailing.

The next step in the process of developing a water right is for the department to conduct a field examination to determine and confirm the use being made of the water.

Please be advised that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office or at the department's website at www.idwr.idaho.gov .

If you have any questions concerning the field examination, please contact the Northern Region Office of the Department located in Coeur d'Alene at (208) 762-2800.

Sincerely,

Darla Block
