RE: Notice of Change in Water Right Ownership
Water Rights: 35-2167E, 35-2167F

Dear Sir/Madam:

On May 28, 2019, you filed a Notice of Change in Water Right Ownership (ownership change) with the Idaho Department of Water Resources (IDWR), seeking to update the ownership records for the water rights listed above. After an initial review, we determined that you needed to provide additional evidence of ownership, specifically a *full* chain of title with the *recorded* version of the deeds. On May 29, 2019, we sent a letter requesting the additional information. The additional information was to be provided within 30 days.

We also wanted to advise you that water right 35-2167F appears to cover a portion of land in the SESE quarter that is not included in your deed (see enclosed map), therefore a split may be required for this water right. The fee for a split water right is \$100.00. The other water right covers just your property so that one will only be \$25.00 for a total of \$125.00 when you re-file your ownership change.

IDWR has never received a response to the request for additional information. Without the requested documents, we cannot verify ownership of the water right and cannot complete the ownership change. We are therefore returning your original ownership change and have initiated a refund of your filing fee (\$50.00). The refund from the state of Idaho will arrive at the address listed above within a couple of weeks.

Please feel free to re-file your ownership change any time in the future when you have collected the requested documentation of ownership. Because your filing fee is being refunded, you will need to determine and provide the proper filing fee at the time you re-file the ownership change.

If you have any questions, feel free to contact me at (208) 525-7161.

Respectfully submitted,

RE: Change in Water Right Ownership Water Right No. 35-2167E, 35-2167F

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

***** **Evidence of Water Right Ownership:** copy of **Recorded Deed** or other legal document indicating your ownership of the property and/or water rights in question. The deed we received is not recorded, and it indicates the grantor as William R Schroeder, Successor Trustee of the Armin H. Schroeder Family Living Trust, however the current owners on record are William R Schroeder & Katherine Schroeder. We need a full chain of title, so we need you to provide the deed(s) between William & Katherine to the Armin H. Schroeder Family Living Trust as well as the recorded version of the deed that has been provided. All deeds must be the recorded copies.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Cher Ramos
