Re: Correct Well Driller's Report for Application For Permit

Dear Mr. or Mrs. Lippert:

Idaho Department of Water Resources (IDWR) has received and is processing your Application for Permit to divert water from a well in in Benewah County for domestic use to supply one home. A copy of your Application is enclosed.

Please contact me at (208) 762.2816 about the well information shown in your Application that indicates your well was drilled '...20 yrs ago...'. Idaho wells completed in fall 1997 and afterwards should have an IDWR metal tag attached to the well casing. The identification number shown on the tag, or the name of the property owner who had the well drilled if no tag is present, is needed for your Application and to identify the correct Driller's Report for your well.

Please contact me at (208) 762.2816, or at the above address, if you have questions.

Respectfully,

Shaun M. Maxey
Sr. Water Resource Agent

Subject: Request for Parcel Master Inquiry Page for Benewah parcel PIN RP00550011078AA

Hi:

Please send me the Parcel Master Inquiry Page showing the current owner & parcel ID number for parcel PIN RP00550011078AA. This should show up as owned by Steven Lippert or Tina Lippert at 1626 Pokey Creek Road. This information is needed to assist the Lippert's with filing a Water Right Permit Application to establish a new Water Right for a well.

I'm also looking for information indicating who the property owners were from 2008 forward. This is helpful in cross referencing to find the correct well record for a well on the property.

Thanks,

Shaun Maxey
