Re: Permit No. 65-23703 – 2019 Q2 Reporting Requirement

Dear Mr. Dobson:

Consistent with the *Agreement in Resolution of Protest* executed between you and the Bogus Basin Recreational Association, Inc. ("Bogus Basin") in resolution of your protest to Application for Permit No. 65-23703, and Condition of Approval No. 7 as to Permit No. 65-23703, Bogus Basin is required to report to you, on a quarterly basis and for the first five years that storage occurs under this right, with copies to the Idaho Department of Water Resources: (1) the monthly volume of water diverted from the pond; and (2) the starting and ending pond elevation for the same period.

For Quarter 2 of 2019, the below table demonstrates compliance with the reporting requirement:

|                                         | April 2019 | May 2019 | June 2019 |
|-----------------------------------------|------------|----------|-----------|
| Volume of Water Diverted from Pond (AF) | 0.0 AF     | 0.0 AF   | 0.0 AF    |
| Starting Pond Elevation for Month       | 5970'      | 5974'    | 5974'     |
| Ending Pond Elevation for Month         | 5974'      | 5974'    | 5974'     |

The pond elevation is measured at 5974' top elevation and 5930' bottom elevation.

Sincerely,

Chris M. Bromley
