RE: Security Interest Water Right No. 11-4028

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Security Interest.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

**** **Evidence of Water Right Ownership:** The current owner of the water right according to the records filed with the department is Brent and Elita Christensen. The deed provided with your application is from ALYKAT Properties LLC to Conor and Jamece McLeish. In order for the department to complete your application a full chain of title is required. Please supply copies of the deeds going from Brent and Elita Christensen to ALYKAT Properties LLC.

Because the Department cannot process the security interest without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Jonie Barg
Technical Records Specialist
