James:

Attached is a map showing the location of the 170 acres that will serve as mitigation for 22-7648. I have also included the shapefile for the 170 acres. I have emailed the assignment for permit form to my client for signature by Riverside Farms, and should have that within the next few days.

I apologize for my delay on this, and appreciate your work on this matter. Let me know if you have any questions. Because of the attachments, please confirm that you received this email.

Thanks,
