5.5 **Patented and Trademarked Varieties.** To the extent there are permanent plantings, there are not currently growing on the Real Property any trees, plants, vines or other permanent plantings that are covered by any trademark or patent or pending patent or trademark application other than those which (i) the Grantor has the right to sell and encumber without the consent of, or paying a fee to, any third party or for which it holds a duly issues license, or (ii) with regard to those owned by a Tenant, the Grantor has the right to remove at the expiration of a Tenant's lease.

5.6 **Water.** The Water Rights afford the continuing, enforceable right to receive irrigation water on the Real Property from such sources, in such quantities and at such times and locations as has historically been available to the Real Property without interruption or substantially increased cost, and in any event, based on current projections, sufficient to provide adequate water and/or drainage to continue the current and proposed farming operations on the Real Property.

5.7 **Office of Foreign Asset Control.** Grantor represents that, and agrees to furnish Mortgagee on request evidence confirming that neither Grantor nor any partner, member or stockholder of Grantor is, and no legal or beneficial interest in a partner, member or stockholder of Grantor is or will be held, directly or indirectly by persons or entities appearing on a US Treasury Office of Foreign Assets Control ("**OFAC**") list, with respect to which entering into transactions with such a person or entity would violate the laws and regulations administered by OFAC or any other law. At all times throughout the term of the Loan, Grantor and all of its respective affiliates shall be in full compliance with all applicable orders, rules, regulations and recommendations of OFAC.

6. **Condemnation.**

6.1 **Application of Net Proceeds.** If all or any part of the Real Property is condemned, Mortgagee may elect to require that all or any portion of the net proceeds of the condemnation in excess of \$100,000 be applied on the Indebtedness. The "**net proceeds**" shall mean the total amount available after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or incurred by Grantor and Mortgagee in connection with the taking by condemnation. Sale of all or any part of the Real Property to a purchaser with the power of eminent domain in the face of a threat or the probability of the exercise of the power shall be treated as a taking by condemnation to which this Section 6 shall apply and shall not be considered a transfer for purpose of Section 9 hereof.

6.2 **Proceedings.** If any proceedings in condemnation are filed, Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. In the event Mortgagee has reasonable grounds for insecurity with regard to Grantor's performance of its obligations under this Section 6, Mortgagee shall be entitled, at its option, to commence, appear in and prosecute in its own name any action or proceeding, or to make any reasonable compromise or settlement in connection with such taking or damage, and to obtain and distribute all compensation, awards or other relief therefor to which Grantor may be entitled in accordance with Paragraph 6.1.

7. **Imposition of Tax By State.**

7.1 **State Taxes Covered.** The following shall constitute state taxes to which this Section 7 applies:

(a) A specific tax upon deeds of trust or mortgages or upon all or any part of the indebtedness secured by a deed of trust or mortgage.

(b) A specific tax on a grantor which the taxpayer is authorized or required to deduct from payments on the indebtedness secured by a deed of trust or mortgage.

(c) A tax on a deed of trust or mortgage chargeable against the beneficiary or the holder of the note secured.

(d) A specific tax on all or any portion of the indebtedness or on payments of principal and interest made by Grantor (other than Mortgagee's income or gross receipts taxes).

7.2 **Remedies.** If any state tax to which this Section 7 applies is enacted subsequent to the date of this Mortgage and this Mortgage becomes subject to such tax, this shall have the same effect as a default, and Mortgagee may exercise any or all of the remedies available to it in the event of a default unless the following conditions are met:

(a) Grantor lawfully pays the tax or charge imposed by the state tax;
and

(b) Grantor pays the tax or charge within thirty (30) days after notice from Mortgagee that the tax law has been enacted or fifteen (15) days prior to the date the tax is payable, whichever is later.

8. **Intentionally Omitted.**

9. **Transfer By Grantor.**

9.1 **Prohibition of Transfer Without Consent.** Except as permitted under the terms of the Loan Agreement, Grantor shall not sell, agree to sell, assign, partition, convey, subcontract, mortgage or otherwise transfer or encumber any fee interest or leasehold interest of more than five years of any part or all of the Property or any interest in the Property, including without limitation any interest in the Water Rights (other than Permitted Encumbrances as defined in the Loan Agreement), without the prior written consent of Mortgagee, which consent may be withheld in Mortgagee's sole discretion. If Grantor or a prospective transferee applies to Mortgagee for consent to a transfer, Mortgagee may require such information as may be reasonably necessary for Mortgagee to assess the prospective transferee's prior business experience, reputation and financial ability to perform Grantor's obligations under this Mortgage. Without limiting the generality of the foregoing, the occurrence at any time of any of the following events without Mortgagee's prior written consent, or except as otherwise specifically allowed under the Loan Agreement, shall be deemed a transfer of title to the Property:

(a) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest or mortgage or other lien in, all or any part of the legal or equitable title to the Property;

(b) Any conveyance, grant or other transfer of the legal or equitable title to the Property which occurs by operation of law, by trustees in bankruptcy, executors or estate administrators or executors, or by or through a bankruptcy court;

(c) Any lease of the Property with a term longer than five (5) years except as permitted under the Loan Agreement;

(d) Any of the above events occurs with respect to any portion of the Water Rights; and

(e) Any sale, transfer or assignment in any manner of membership interests in Grantor which are not expressly permitted upon the terms and conditions stated in the Loan Agreement.

9.2 **Condition to Consent.** As a condition of its consent to any transfer of the Real Property where consent is required under Section 9.1 above, Mortgagee may in its discretion impose a reasonable service charge and may increase the interest rate of the Indebtedness and impose such additional conditions as Mortgagee may then determine to be consistent with Mortgagee's underwriting standards and practices then in effect.

9.3 **Effect of Consent.** Consent by Mortgagee to one transfer shall not constitute a consent to other transfers or a waiver of this Section 9. No transfer by Grantor shall relieve Grantor of liability for payment of the Indebtedness. Following a transfer, Mortgagee may agree to any extension of time for payment or modification of the terms of this Mortgage or the Notes or waive any right or remedy under this Mortgage or the Notes without relieving Grantor from liability. Grantor waives notice, presentment, and protest with respect to the Indebtedness.

10. **Security Agreement; Security Interest.**

10.1 **Security Agreement.** This instrument shall constitute a security agreement with respect to Grantor's right, title and interest in and to the Proceeds, Crops, Water Rights, Improvements, Intangibles, Proceeds, Minerals and any other equipment and personal property included in the description of the Property, and Grantor hereby grants to Mortgagee a security interest therein.

10.2 **Security Interest.** Grantor authorizes Mortgagee to file in any relevant jurisdiction any initial financing statements (including fixture filings) and amendments thereto necessary to perfect and continue Mortgagee's security interest in the Property. Upon request by Mortgagee, Grantor shall take whatever other action is reasonably requested by Mortgagee to perfect and continue Mortgagee's security interest in the Property. Grantor hereby appoints Mortgagee as Grantor's attorney-in-fact for the purpose of executing or filing any documents

necessary to perfect or continue the security interest granted therein. Grantor will reimburse Mortgagee for all expenses incurred in perfecting or continuing this security interest.

10.3 **Fixture Filing.** This instrument constitutes a financing statement filed as a fixture filing in the Official Records of the County Recorder of the county in which the Property is located with respect to any and all fixtures included within the term "**Property**" as used herein and with respect to any goods or other personal property that may now be or hereafter become such fixtures. The Grantor is the record owner of the Property. Grantor shall be deemed the "**Debtor**" with the address set forth for Grantor in Section 14.5 hereof. Mortgagee shall be deemed to be the "**Secured Party**" with the address set forth for Mortgagee in Section 14.5 hereof and shall have all of the rights of a secured party under the Uniform Commercial Code. This Mortgage covers goods which are or are to become fixtures.

10.4 **Representations, Warranties and Covenants.** Grantor hereby represents, warrants, and covenants as follows:

(a) Grantor warrants that (i) Grantor's (that is, "**Debtor's**") name, identity, and principal place of residence/state of organization are as referred to in the first paragraph of this Mortgage, (ii) Grantor has not operated the Property under any other name; and (iii) the location of all tangible personal property collateral is upon the Land. Grantor covenants and agrees that Grantor will furnish Mortgagee with notice of any change in the matters addressed by clauses (i) or (ii) of this Section 10.4 within thirty (30) days of the effective date of any such change, and Grantor authorizes the filing or recording of any financing statements or other instruments deemed necessary by Mortgagee to prevent any filed financing statement from becoming misleading or losing its perfected status. Grantor shall provide to Mortgagee upon request, certified copies of any searches of UCC records deemed necessary or appropriate by Mortgagee to confirm the first priority status of its security interest in the personal property, together with copies of all documents or records reflected therein.

(b) The security interest held by Mortgagee shall cover cash and non-cash proceeds of the personal property, but nothing contained herein shall be construed as authorizing, either expressly or by implication, the sale or other disposition of any of the personal property by Grantor, which sale or other disposition is hereby expressly prohibited without the Mortgagee's prior written consent, other than sales of crops in the ordinary course of the farming operations conducted on the Property.

(c) All of the Property is and shall be owned by Grantor, and is not and shall not be the subject matter of any lease or other instrument, agreement or transaction whereby the ownership or beneficial interest thereof or therein shall be held by any person or entity other than Grantor, except to the extent Mortgagee consents in writing to any lease of any of such property, which consent shall not be unreasonably withheld or conditioned. Grantor shall not create or cause to be created any security interest covering any of the personal property,

other than (1) the security interest created herein in favor of Mortgagee, (2) the rights of Tenants lawfully occupying the Property pursuant to Leases approved by Mortgagee, (3) the Permitted Encumbrances, or (4) security interests otherwise permitted under the Loan Agreement.

10.5 Assignment of Leases and Contracts.

10.5.1 As additional collateral and to further secure the Indebtedness and other obligations of Grantor, Grantor does hereby absolutely, presently and irrevocably assign, grant, transfer, and convey to Mortgagee and its successors and assigns, and grants to Mortgagee, its successors and assigns, a security interest in, all of Grantor's right, title, and interest in, to, and under all leases, subleases, water bank and water supply leases, tenant contracts, rental agreements, franchise agreements, water and well agreements, management agreements, crop purchase agreements and management contracts, construction contracts and other contracts, licenses and permits, map approvals and conditional use permits, whether written or oral, now or hereafter affecting all or any part of the Property, and any agreement for the use or occupancy of all or any part of said Property which may have been made heretofore or which may be made hereafter, including any and all extensions, renewals, and modifications of the foregoing and guaranties of the performance or obligations of any tenants or other parties thereunder, and all other arrangements of any sort resulting in the payment of money to Grantor or in Grantor becoming entitled to the payment of money for the sale use of any portion of the Property or any part thereof whether such user or occupier is tenant, invitee, purchaser, contract party or licensee (all of the foregoing hereafter referred to collectively as the "**Leases and Contracts**" and individually as a "**Lease or Contract**", and said tenants, invitees, purchasers, contract parties and licensees are hereafter referred to collectively as "**Tenants and Contract Parties**" and individually as "**Tenant or Contract Party**" as the context requires), which Leases and Contracts cover or related to all or portions of the Property; together with all of Grantor's right, title, and interest in and to all Proceeds which shall include all income, rents, issues, royalties, profits, rights and benefits and all Tenants' and Contract Parties' security and other similar deposits derived with respect to the Leases and Contracts and with respect to the Property, including, without limitation, all base and minimum rents, percentage rents, additional rents, payments in lieu of rent, crop proceeds, expense contributions, and other similar such payments and the right to collect the same as they become due, it being the intention of the parties hereto to establish an absolute transfer and assignment of all of the Leases and Contracts and the Proceeds to Mortgagee, and not just to create a security interest.

10.5.2 Grantor hereby represents, warrants, and agrees as follows:

(a) Grantor is the sole holder of the landlord's interest under the Leases, or the owner's interest under the Contracts, as applicable and is entitled to receive the Proceeds under the Leases and Contracts from the Property, and has the full right to sell, assign, transfer, and set over the same and to grant to and confer upon Mortgagee the rights, interests, powers and authorities herein granted and conferred; and

(b) Grantor has made no pledge or assignment of the Leases and Contracts or Proceeds, other than to Mortgagee, and Grantor shall not, after the date hereof, make or permit any such pledge or assignment.

10.5.3 Grantor hereby covenants and agrees that Grantor shall authorize and direct, and does hereby authorize and direct, each and every present and future Tenant or Contract Party of or with respect to the whole or any part of the Property to pay all rentals and other Proceeds to Mortgagee from and after the date of receipt of written demand from Mortgagee to do so, and to recognize Mortgagee as the successor to Grantor under the respective Leases and Contracts should Mortgagee elect to enforce its rights thereunder.

10.5.4 Although this Mortgage constitutes an absolute, present and current assignment of all Proceeds, as long as no Event of Default as described in Section 12 on the part of the Grantor shall have occurred, Mortgagee shall not demand that such Proceeds be paid directly to Mortgagee, and Grantor shall have a license to collect, but not more than one (1) accrual period prior to the due date thereof all such Proceeds from the Property (including, without limitation, all rental payments and other proceeds due under the Leases and Contracts).

11. **Reconveyance on Full Performance.** If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Mortgage and the Loan Documents, Mortgagee shall execute and deliver to Grantor a full reconveyance and shall execute and deliver to Grantor suitable statements of termination of any financing statement on file and any other lien, encumbrance or other cloud on title created as a result of this transaction. The reconveyance and filing fees shall be paid by Grantor.

12. **Default.** The following shall constitute Events of Default under this Mortgage and other Loan Documents:

(a) Failure of Borrower to pay any portion of the Indebtedness when due and such failure shall continue for a period of five (5) business days thereafter.

(b) Failure of Borrower within the time required by this Mortgage, but in any event prior to delinquency, to make any payment for taxes, assessments, insurance or for reserves for such payment, or any other payment necessary to prevent filing of or discharge of any lien.

(c) Transfer (either voluntarily or by operation of law), as defined in Section 9 hereof, of any part or interest in the Property or Borrower without the prior written consent of Mortgagee except as expressly permitted herein.

(d) Dissolution, termination of existence, insolvency on a balance sheet basis or business failure of Borrower, except in connection with a transfer approved by Mortgagee pursuant to Section 9 hereof or unless cured within ten (10) days' notice to Grantor; the

commencement by Borrower of a voluntary case under the federal bankruptcy laws or under any other federal or state law relating to insolvency or debtor's relief; the entry of a decree or order for relief against Borrower in an involuntary case under the federal bankruptcy laws or under any other applicable federal or state law relating to insolvency or debtor's relief; the appointment or the consent by Borrower to the appointment of a receiver, trustee, or custodian of Borrower or of any of Borrower's property; an assignment for the benefit of creditors by Borrower; the making or suffering by Borrower of a fraudulent transfer under applicable federal or state law; concealment by Borrower of any of its property in fraud of creditors; the making or suffering by Borrower of a voidable preference within the meaning of the federal bankruptcy law; the imposition of a lien through legal proceedings or distraint upon any of the Property of Borrower which is not discharged or bonded in the manner permitted by Section 3.2 above.

(e) Failure of Grantor to perform any other obligation under this Mortgage within thirty (30) days after receipt of written notice from Mortgagee specifying the nature of the default or, if the default cannot be cured within thirty (30) days, failure within such time to commence and pursue curative action with reasonable diligence, but in no event shall the period for cure exceed ninety (90) days. No notice of default and no opportunity to cure shall be required if during the prior twelve (12) months Mortgagee has already sent a notice to Grantor concerning default in performance of the same obligation.

(f) The material inaccuracy of any representation or warranty made pursuant to the Loan Documents or any failure to perform under the Loan Documents beyond any applicable grace period.

(g) The occurrence of a default or Event of Default under any of the Security Instruments or any other mortgage or security instrument now or hereafter securing the Indebtedness or any other documents, agreements, or indemnities evidencing, securing or relating to the loans secured thereby, subject to applicable notice and cure or grace periods in the Loan Agreement or other Loan Documents.

(h) The occurrence of a default or event of default under any mortgage, security agreement, encumbrance, tax lien or assessment or other security instrument encumbering all or any portion of the Property, subject to applicable notice and cure or grace periods in the Loan Agreement or other Loan Documents.

(i) The occurrence of an Event of Default under the Loan Agreement or any of the other Loan Documents.

13. Rights and Remedies on Default.

13.1 **Remedies.** Upon the occurrence of any Event of Default and at any time thereafter, Mortgagee may exercise any one or more of the following rights and remedies or any other remedies available under applicable law:

(a) Mortgagee may declare all or any portion of the Indebtedness immediately due and payable. Any such portion not so accelerated shall remain due and payable as stated in the instruments that evidence the same and may be accelerated thereafter if any default exists under this Mortgage or any of the Security Instruments.

(b) Mortgagee shall have the right to foreclose any of the Property encumbered by any one or all of this Mortgage and the Security Instruments by judicial foreclosure, in accordance with and to the extent allowed by applicable law.

(c) Intentionally omitted.

(d) If this Mortgage is foreclosed by judicial procedure, Mortgagee will be entitled to a judgment which will provide that if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for any amount by which the unpaid balance of the obligations secured by this Mortgage exceeds the net sale proceeds payable to Mortgagee. No such judgments shall affect or impair Mortgagee's rights and remedies under part (j) of this Section.

(e) With respect to all or any part of the Property that constitutes personalty, Mortgagee shall have all the rights and remedies of a secured party under the Uniform Commercial Code. Mortgagee shall have the option of proceeding as to the Real Property and all or some of the personal property, separately or together, in accordance with the unified sale procedures set forth in the Uniform Commercial Code as adopted in Idaho.

(f) Mortgagee shall have the right, without notice to Grantor, to take possession of the Property and collect the Proceeds, including amounts past due and unpaid, and apply the net proceeds, over and above Mortgagee's costs, against the Indebtedness. In furtherance of this right, Mortgagee may require any Tenant or other user to make payments of rent or use fees directly to Mortgagee. If the Proceeds are collected by Mortgagee, then Grantor irrevocably designates Mortgagee as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by Tenants or other users to Mortgagee in response to Mortgagee's demand shall satisfy the obligation for which the payments are made, whether or not any proper grounds for the demand existed. Mortgagee may exercise its rights under this paragraph either in person, by agent or through a receiver.

(g) Mortgagee shall have the right to have a receiver appointed to take possession of any or all of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, to collect the Proceeds from the Property and apply the Proceeds, over and above cost of the receivership, against the Indebtedness. Mortgagee may apply to any court of competent jurisdiction for the appointment of a receiver or receivers for the Property and of all the earnings, revenues, rents, issues, profits and income therefrom, ex parte, without notice, and without regard to the sufficiency or value of any security for the

obligations secured hereby or the solvency of any party bound for its payment, the expenses of which shall be secured by this Mortgage. The receiver may serve without bond if permitted by law. Mortgagee's right to the appointment of a receiver shall exist whether or not apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Mortgagee shall not disqualify a person from serving as a receiver.

(h) In the event Grantor remains in possession of the Property after the Property is sold as provided above or Mortgagee otherwise becomes entitled to possession of the Property upon default of Grantor, Grantor shall become a tenant at will of Mortgagee or the purchaser of the Property and shall pay a reasonable rental for use of the Property while in Grantor's possession.

(i) Mortgagee shall have any other right or remedy provided in this Mortgage, the Notes, the Loan Documents or any other instrument delivered by Borrower in connection therewith, or available at law, in equity or otherwise whether or not specified herein.

(j) Mortgagee shall have such remedies as are provided in any of the Security Instruments or any other assignments, security agreements, or instruments securing the debts secured by any of the Security Instruments. Grantor acknowledges and agrees that this Mortgage and any or all of the Security Instruments may be judicially or non-judicially foreclosed contemporaneously or incrementally in such order as Mortgagee may elect, and that such judicial or non-judicial foreclosure shall not preclude any subsequent foreclosure so long as any portion of the debts secured by any or all of them remains outstanding.

13.2 **Rights of Receiver or Mortgagee-in-Possession.** Upon taking possession of all or any part of the Property, the receiver or Mortgagee may:

(a) Use, operate, manage, control and conduct business on the Property, including harvesting and selling Crops (other than Crops owned by Tenants), enforcing and taking actions as landlord under any Leases, and make reasonable expenditures for all maintenance, tax obligations and improvements as in its reasonable judgment are proper;

(b) Collect the Proceeds from the Property and apply such sums to the expenses of use, operation and management; and

(c) At Mortgagee's option, complete any construction or development operations in progress on the Property, and in that connection pay bills, borrow funds, employ contractors and make any changes in plans or specifications as Mortgagee deems appropriate.

If the revenues produced by the Property are insufficient to pay expenses, the receiver may borrow, from Mortgagee (if Mortgagee, in its sole discretion, agrees to lend) or otherwise, or Mortgagee may borrow or advance such sums as the receiver or Mortgagee may deem necessary for the purposes stated in this Section 13.2. The amounts borrowed or advanced shall bear

interest from the date of expenditure until repaid at the same interest rate as provided in Section 14.4 below. Such sums shall become a part of the Indebtedness secured by this Mortgage and shall be payable by Grantor on demand.

13.3 **Sale of the Property.** In exercising its rights and remedies, the Mortgagee may cause all or any part of the Property to be sold as a whole or in parcels, and certain portions of the Property may be sold without selling other portions. Mortgagee may bid at any public sale on all or any portion of the Property.

13.4 **Waiver; Election of Remedies.** A waiver by either party of a breach of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. Election by Mortgagee to pursue any remedy shall not exclude pursuit of any other remedy, and all remedies of Mortgagee under this Mortgage are cumulative and not exclusive. An election to make expenditures or take action to perform an obligation of Grantor shall not affect Mortgagee's right to declare a default and exercise its remedies under this Mortgage.

13.5 **Attorneys' Fees; Expenses.** In the event suit or action is instituted to enforce any of the terms of this Mortgage, the prevailing party shall be entitled to recover its reasonable attorneys' fees at trial, on any appeal and on any petition for review, in addition to all other sums provided by law. Whether or not any court action is involved, all reasonable expenses incurred by Mortgagee that are necessary at any time in Mortgagee's opinion for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the same interest rate as provided in Section 14.4 below. Expenses covered by this paragraph include (without limitation) the cost of searching records, obtaining title reports, surveyors' reports, consultants' fees, attorneys' opinions, and title insurance. Grantor shall and does hereby agree that, if all or a portion of the principal sum of the Notes have, prior to the maturity date fixed in the obligation, become due or been declared due by reason of an Event of Default, the entire amount then due under the terms of this Mortgage and the Notes shall include all attorneys' fees and costs and expenses which are actually incurred as stated above.

The statutes referred to above shall include any successor or replacement statutes or provisions.

14. **Miscellaneous.**

14.1 **Time of Essence.** Time is of the essence of this Mortgage.

14.2 **Binding Upon Successors and Assigns.** Subject to the limitations stated in this Mortgage on transfer of Grantor's interest and subject to the provisions of applicable law with respect to successor trustees, this Mortgage shall be binding upon and inure to the benefit of the parties, their successors and assigns. All of the grants, covenants, terms, provisions and

conditions herein contained shall run with the Real Property and shall apply to, bind and inure to the benefit of, the successors and assigns of Grantor and Mortgagee.

14.3 **Security Agreement.** In construing this Mortgage, the term "Mortgage" shall encompass the term "security agreement" when the instrument is being construed with respect to any personal property.

14.4 **Expenditure by Mortgagee.** If Grantor fails to comply with any provision of this Mortgage, Mortgagee may elect to take the required action on Grantor's behalf, and any amount that Mortgagee expends in so doing shall be added to the Indebtedness. Amounts so added shall be payable on demand with interest from the date of expenditure at the Default Interest Rate provided in the Notes, but in any event not at a rate higher than the maximum rate permitted by law. Such action by Mortgagee shall not constitute a cure or waiver of the default or any other right or remedy which Mortgagee may have on account of Grantor's default.

14.5 **Notices.** Any notice under this Mortgage shall be in writing and shall be effective when either delivered in person directly or by national overnight courier service, or, if mailed, shall be deemed effective on the second day after deposited as registered or certified mail, postage prepaid, addressed to the parties at the following addresses:

14.6 **Homestead Rights.** Grantor expressly waives any and all homestead and exception rights now or hereafter available under Idaho or Federal law.

14.7 **Jury Trial Waiver.** To the extent now or hereafter permitted by applicable law, the Grantor and by its acceptance hereof, the Mortgagee, hereby waive any right to a trial by jury in any action or proceeding to enforce or defend any rights (i) under this Mortgage or any other Loan Document, or (ii) arising from any lending relationship existing in connection with this Mortgage or any other Loan Document, and the Grantor and by its acceptance hereof, the Mortgagee, agree that any such action or proceeding shall be tried before a judge and not before a jury.

14.8 **Invalid Provisions to Affect No Others.** If any of the provisions contained in the Notes or this Mortgage shall be invalid, illegal or unenforceable in any respect, the validity of the remaining provisions in this Mortgage and the Notes shall not be affected.

14.9 **Changes in Writing.** This Mortgage and any of its terms may only be changed, waived, discharged or terminated by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Any agreement subsequently made by Grantor or Mortgagee relating to this Mortgage shall be superior to the rights of the holder of any intervening lien or encumbrance.

14.10 **Applicable Law.** The laws of the State of Idaho shall be applicable for the purpose of construing and determining the perfection and validity of this Mortgage and for determining the enforcement and the rights and remedies of Mortgagee hereunder.

14.11 **Joint and Several.** The obligations of each person comprising Grantor hereunder, if more than one, shall be joint and several.

14.12 **Related Obligations.** By executing, delivering and accepting this Mortgage, Grantor and Mortgagee acknowledge and agree that unless, until and to the extent provided otherwise in the Loan Agreement or a subsequent written agreement executed by Mortgagee:

(a) this Mortgage secures all of the indebtedness and obligations arising under the Notes and the other Loan Documents evidencing or securing the Loan (except the Indemnity Agreement and the Guaranty), together with all interest thereon and other sums due or to become due and obligations to be performed in connection therewith, all in such order as Mortgagee may from time to time elect;

(b) the Notes are secured by this Mortgage and the Security Instruments;

(c) any default under the Loan Agreement, the Notes, the Loan Documents, the Security Instruments or any of the security documents, indemnities, assignments, guarantees or other agreements executed in connection therewith or to secure the same shall constitute an Event of Default under this Mortgage;

(d) Mortgagee shall have the right to exercise any remedies under the Loan Agreement and Security Instruments against the Property or against any one or more properties or all of the properties encumbered by the Security Instruments at such times and in such order as it elects from time to time without waiving its rights against any person or any other property or properties;

(e) a result of the structure of the Loan is that all of the collateral now or hereafter encumbered by all of the Security Instruments, regardless of the form by which it is encumbered or the ownership, shall be security for the repayment of each of the Notes, and shall be available to satisfy the obligations incurred in connection with the entire Loan and each Note;

(f) a default by Borrower under any Note or the Loan Documents could result in the judicial or non-judicial sale of some or all the collateral for the Loan, and the application of the proceeds from such sale to complete or only partial satisfaction of the joint and several obligations of Borrower under any of the Notes or other Loan Documents; and

(g) Grantor acknowledges and agrees that the lien of this Mortgage is part of a larger pool of collateral collectively, jointly and severally securing the Notes. Accordingly, Mortgagee may foreclose this Mortgage and the other Security Instruments, simultaneously or successively and any such foreclosure shall not operate to satisfy the Indebtedness.

2.9 **Patented and Trademarked Varieties.** Grantor shall not plant on the Real Property, or graft to any trees or vines on the Real Property, patented or trademarked varieties of crops, bushes, trees or vines unless Grantor owns the patent or trademark for such trees, vines or rootstock or a license to plant or graft such trees, vines or rootstock which is transferable to a successor owner of the Real Property.

2.10 **Operations on Property.** Grantor shall ensure that all operations of the Property conform to the standards of husbandry in the geographic area in which the Land is located and shall, at all times, act so as to minimize erosion and depletion of the soil. Grantor shall ensure that all wastewater or other discharges to the environment are conducted in conformance with current industry practices and all current regulatory requirements. Grantor shall use the Property solely for agricultural production and directly related purposes (which may include farm worker housing).

3.2 **Right to Contest.** Grantor may withhold payment of any tax, assessment or claim in connection with a good faith dispute over the obligation to pay, so long as Mortgagee's interest in the Real Property is not jeopardized, as determined by Mortgagee, and sufficient funds are reserved by Grantor, as determined by Mortgagee, to provide for any related loss, cost, payment, penalty or adverse determination. If the Real Property is subjected to a lien (except for liens for taxes and assessments that are not yet due) which is not discharged within thirty (30) days, Grantor shall deposit with Mortgagee cash, a sufficient corporate surety bond or other security satisfactory to Mortgagee in an amount sufficient to discharge the lien, plus any interest, costs, attorneys' fees or other charges that could accrue as a result of a foreclosure or sale under the lien. 3.3 **Evidence of Payment.** Grantor shall promptly furnish evidence of payment of taxes and assessments to Mortgagee on its demand.

3.4 **Notice of Construction.** Grantor shall notify Mortgagee at least fifteen (15) days before any work is commenced, any services are furnished or any materials are supplied to the Real Property if a construction lien could be asserted on account of the work, services or materials and the cost exceeds One Hundred Thousand and 00/100 Dollars (\$100,000.00). On Mortgagee's request, Grantor will promptly furnish advance assurances satisfactory to Mortgagee that Grantor can and will pay the cost of such improvements.

3.5 **Farm or Agricultural Classification.** Grantor agrees to maintain the farm use or agricultural lands classification of the Property on the tax roll, and not to allow any act or omission which would disqualify the Property for assessment or zoning as farm use or agricultural lands. Notwithstanding anything contained herein to the contrary, Grantor may change the use of the Real Property from an annual crop to a permanent crop or vice versa and Mortgagee specifically acknowledges that portions of the Real Property may currently be assessed as residential/commercial use.

4.4 **Insurance Carriers and Certificates.** All insurance policies required hereby shall be issued by companies reasonably satisfactory to Mortgagee on forms, terms and conditions and with deductibles reasonably satisfactory to Mortgagee, all such policies shall be continuously maintained and in full force and effect without material modification for reduction in scope or amount of coverage. Certificates evidencing such insurance and providing thirty (30) days' notice to Mortgagee prior to any cancellation or material reduction in coverage shall be provided to Mortgagee at closing and maintained current at all times.

5. **Warranties of Grantor.**

5.1 **Title.** Grantor warrants that it holds indefeasible and marketable fee title to the Real Property, and merchantable fee title to all of the remainder of the Property, free of all encumbrances other than those set forth in the title insurance policy to be issued to Mortgagee at closing, and leases or other exceptions permitted by the Loan Agreement (the "**Permitted Encumbrances**").

5.2 **Defense of Title.** Subject to the Permitted Encumbrances, Grantor warrants and will forever defend the title to the Property (including without limitation all Water Rights) against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Mortgagee under this Mortgage, Grantor shall defend the action at its expense.

5.3 **Business Purposes.** Grantor warrants that Grantor is engaging in this transaction exclusively for business, commercial or investment purposes.

5.4 **No Litigation.** Grantor represents and warrants that there is no litigation pending or, to the current actual knowledge of its members, partners, or officers, threatened against Grantor which will substantially adversely affect the ability of Grantor to perform its obligations hereunder, nor will the execution or performance of this Mortgage and the Notes violate the terms of any order of any court. If such litigation is filed, Grantor agrees to notify Mortgagee promptly by providing Mortgagee with a copy of the summons and complaint.

5.5 **Patented and Trademarked Varieties.** To the extent there are permanent plantings, there are not currently growing on the Real Property any trees, plants, vines or other permanent plantings that are covered by any trademark or patent or pending patent or trademark application other than those which (i) the Grantor has the right to sell and encumber without the consent of, or paying a fee to, any third party or for which it holds a duly issues license, or (ii) with regard to those owned by a Tenant, the Grantor has the right to remove at the expiration of a Tenant's lease.

5.6 **Water.** The Water Rights afford the continuing, enforceable right to receive irrigation water on the Real Property from such sources, in such quantities and at such times and locations as has historically been available to the Real Property without interruption or

substantially increased cost, and in any event, based on current projections, sufficient to provide adequate water and/or drainage to continue the current and proposed farming operations on the Real Property.

5.7 **Office of Foreign Asset Control.** Grantor represents that, and agrees to furnish Mortgagee on request evidence confirming that neither Grantor nor any partner, member or stockholder of Grantor is, and no legal or beneficial interest in a partner, member or stockholder of Grantor is or will be held, directly or indirectly by persons or entities appearing on a US Treasury Office of Foreign Assets Control ("OFAC") list, with respect to which entering into transactions with such a person or entity would violate the laws and regulations administered by OFAC or any other law. At all times throughout the term of the Loan, Grantor and all of its respective affiliates shall be in full compliance with all applicable orders, rules, regulations and recommendations of OFAC.

6. **Condemnation.**

6.1 **Application of Net Proceeds.** If all or any part of the Real Property is condemned, Mortgagee may elect to require that all or any portion of the net proceeds of the condemnation in excess of \$100,000 be applied on the Indebtedness. The "**net proceeds**" shall mean the total amount available after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or incurred by Grantor and Mortgagee in connection with the taking by condemnation. Sale of all or any part of the Real Property to a purchaser with the power of eminent domain in the face of a threat or the probability of the exercise of the power shall be treated as a taking by condemnation to which this Section 6 shall apply and shall not be considered a transfer for purpose of Section 9 hereof.

6.2 **Proceedings.** If any proceedings in condemnation are filed, Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. In the event Mortgagee has reasonable grounds for insecurity with regard to Grantor's performance of its obligations under this Section 6, Mortgagee shall be entitled, at its option, to commence, appear in and prosecute in its own name any action or proceeding, or to make any reasonable compromise or settlement in connection with such taking or damage, and to obtain and distribute all compensation, awards or other relief therefor to which Grantor may be entitled in accordance with Paragraph 6.1.

7. **Imposition of Tax By State.**

(c) A tax on a deed of trust or mortgage chargeable against the beneficiary or the holder of the note secured.

(d) A specific tax on all or any portion of the indebtedness or on payments of principal and interest made by Grantor (other than Mortgagee's income or gross receipts taxes).

7.2 **Remedies.** If any state tax to which this Section 7 applies is enacted subsequent to the date of this Mortgage and this Mortgage becomes subject to such tax, this shall have the same effect as a default, and Mortgagee may exercise any or all of the remedies available to it in the event of a default unless the following conditions are met:

(a) Grantor lawfully pays the tax or charge imposed by the state tax; and

(b) Grantor pays the tax or charge within thirty (30) days after notice from Mortgagee that the tax law has been enacted or fifteen (15) days prior to the date the tax is payable, whichever is later.

8. **Intentionally Omitted.**

9. **Transfer By Grantor.**

9.1 **Prohibition of Transfer Without Consent.** Except as permitted under the terms of the Loan Agreement, Grantor shall not sell, agree to sell, assign, partition, convey, subcontract, mortgage or otherwise transfer or encumber any fee interest or leasehold interest of more than five years of any part or all of the Property or any interest in the Property, including without limitation any interest in the Water Rights (other than Permitted Encumbrances as defined in the Loan Agreement), without the prior written consent of Mortgagee, which consent may be withheld in Mortgagee's sole discretion. If Grantor or a prospective transferee applies to Mortgagee for consent to a transfer, Mortgagee may require such information as may be reasonably necessary for Mortgagee to assess the prospective transferee's prior business experience, reputation and financial ability to perform Grantor's obligations under this Mortgage. Without limiting the generality of the foregoing, the occurrence at any time of any of the following events without Mortgagee's prior written consent, or except as otherwise specifically allowed under the Loan Agreement, shall be deemed a transfer of title to the Property:

(a) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest or mortgage or other lien in, all or any part of the legal or equitable title to the Property;

(b) Any conveyance, grant or other transfer of the legal or equitable title to the Property which occurs by operation of law, by trustees in bankruptcy, executors or estate administrators or executors, or by or through a bankruptcy court;

9.2 **Condition to Consent.** As a condition of its consent to any transfer of the Real Property where consent is required under Section 9.1 above, Mortgagee may in its discretion impose a reasonable service charge and may increase the interest rate of the Indebtedness and impose such additional conditions as Mortgagee may then determine to be consistent with Mortgagee's underwriting standards and practices then in effect.

9.3 **Effect of Consent.** Consent by Mortgagee to one transfer shall not constitute a consent to other transfers or a waiver of this Section 9. No transfer by Grantor shall relieve Grantor of liability for payment of the Indebtedness. Following a transfer, Mortgagee may agree to any extension of time for payment or modification of the terms of this Mortgage or the Notes or waive any right or remedy under this Mortgage or the Notes without relieving Grantor from liability. Grantor waives notice, presentment, and protest with respect to the Indebtedness.

10. **Security Agreement; Security Interest.**

10.1 **Security Agreement.** This instrument shall constitute a security agreement with respect to Grantor's right, title and interest in and to the Proceeds, Crops, Water Rights, Improvements, Intangibles, Proceeds, Minerals and any other equipment and personal property included in the description of the Property, and Grantor hereby grants to Mortgagee a security interest therein.

10.2 **Security Interest.** Grantor authorizes Mortgagee to file in any relevant jurisdiction any initial financing statements (including fixture filings) and amendments thereto necessary to perfect and continue Mortgagee's security interest in the Property. Upon request by

Mortgagee, Grantor shall take whatever other action is reasonably requested by Mortgagee to perfect and continue Mortgagee's security interest in the Property. Grantor hereby appoints Mortgagee as Grantor's attorney-in-fact for the purpose of executing or filing any documents necessary to perfect or continue the security interest granted therein. Grantor will reimburse Mortgagee for all expenses incurred in perfecting or continuing this security interest.

10.3 **Fixture Filing.** This instrument constitutes a financing statement filed as a fixture filing in the Official Records of the County Recorder of the county in which the Property is located with respect to any and all fixtures included within the term "**Property**" as used herein and with respect to any goods or other personal property that may now be or hereafter become such fixtures. The Grantor is the record owner of the Property. Grantor shall be deemed the "**Debtor**" with the address set forth for Grantor in Section 14.5 hereof. Mortgagee shall be deemed to be the "**Secured Party**" with the address set forth for Mortgagee in Section 14.5 hereof and shall have all of the rights of a secured party under the Uniform Commercial Code. This Mortgage covers goods which are or are to become fixtures.

10.4 **Representations, Warranties and Covenants.** Grantor hereby represents, warrants, and covenants as follows:

(a) Grantor warrants that (i) Grantor's (that is, "**Debtor's**") name, identity, and principal place of residence/state of organization are as referred to in the first paragraph of this Mortgage, (ii) Grantor has not operated the Property under any other name; and (iii) the location of all tangible personal property collateral is upon the Land. Grantor covenants and agrees that Grantor will furnish Mortgagee with notice of any change in the matters addressed by clauses (i) or (ii) of this Section 10.4 within thirty (30) days of the effective date of any such change, and Grantor authorizes the filing or recording of any financing statements or other instruments deemed necessary by Mortgagee to prevent any filed financing statement from becoming misleading or losing its perfected status. Grantor shall provide to Mortgagee upon request, certified copies of any searches of UCC records deemed necessary or appropriate by Mortgagee to confirm the first priority status of its security interest in the personal property, together with copies of all documents or records reflected therein.

(b) The security interest held by Mortgagee shall cover cash and non-cash proceeds of the personal property, but nothing contained herein shall be construed as authorizing, either expressly or by implication, the sale or other disposition of any of the personal property by Grantor, which sale or other disposition is hereby expressly prohibited without the Mortgagee's prior written consent, other than sales of crops in the ordinary course of the farming operations conducted on the Property.

(c) All of the Property is and shall be owned by Grantor, and is not and shall not be the subject matter of any lease or other instrument, agreement or transaction whereby the ownership or beneficial interest thereof or therein shall be held by any person or

entity other than Grantor, except to the extent Mortgagee consents in writing to any lease of any of such property, which consent shall not be unreasonably withheld or conditioned. Grantor shall not create or cause to be created any security interest covering any of the personal property, other than (1) the security interest created herein in favor of Mortgagee, (2) the rights of Tenants lawfully occupying the Property pursuant to Leases approved by Mortgagee, (3) the Permitted Encumbrances, or (4) security interests otherwise permitted under the Loan Agreement.

10.5 Assignment of Leases and Contracts.

10.5.1 As additional collateral and to further secure the Indebtedness and other obligations of Grantor, Grantor does hereby absolutely, presently and irrevocably assign, grant, transfer, and convey to Mortgagee and its successors and assigns, and grants to Mortgagee, its successors and assigns, a security interest in, all of Grantor's right, title, and interest in, to, and under all leases, subleases, tenant contracts, rental agreements, franchise agreements, water and well agreements, management agreements, crop purchase agreements and management contracts, construction contracts and other contracts, licenses and permits, map approvals and conditional use permits, whether written or oral, now or hereafter affecting all or any part of the Property, and any agreement for the use or occupancy of all or any part of said Property which may have been made heretofore or which may be made hereafter, including any and all extensions, renewals, and modifications of the foregoing and guaranties of the performance or obligations of any tenants or other parties thereunder, and all other arrangements of any sort resulting in the payment of money to Grantor or in Grantor becoming entitled to the payment of money for the sale use of any portion of the Property or any part thereof whether such user or occupier is tenant, invitee, purchaser, contract party or licensee (all of the foregoing hereafter referred to collectively as the "**Leases and Contracts**" and individually as a "**Lease or Contract**", and said tenants, invitees, purchasers, contract parties and licensees are hereafter referred to collectively as "**Tenants and Contract Parties**" and individually as "**Tenant or Contract Party**" as the context requires), which Leases and Contracts cover or related to all or portions of the Property; together with all of Grantor's right, title, and interest in and to all Proceeds which shall include all income, rents, issues, royalties, profits, rights and benefits and all Tenants' and Contract Parties' security and other similar deposits derived with respect to the Leases and Contracts and with respect to the Property, including, without limitation, all base and minimum rents, percentage rents, additional rents, payments in lieu of rent, crop proceeds, expense contributions, and other similar such payments and the right to collect the same as they become due, it being the intention of the parties hereto to establish an absolute transfer and assignment of all of the Leases and Contracts and the Proceeds to Mortgagee, and not just to create a security interest.

10.5.2 Grantor hereby represents, warrants, and agrees as follows:

(a) Grantor is the sole holder of the landlord's interest under the Leases, or the owner's interest under the Contracts, as applicable and is entitled to receive the

Proceeds under the Leases and Contracts from the Property, and has the full right to sell, assign, transfer, and set over the same and to grant to and confer upon Mortgagee the rights, interests, powers and authorities herein granted and conferred; and

(b) Grantor has made no pledge or assignment of the Leases and Contracts or Proceeds, other than to Mortgagee, and Grantor shall not, after the date hereof, make or permit any such pledge or assignment.

10.5.3 Grantor hereby covenants and agrees that Grantor shall authorize and direct, and does hereby authorize and direct, each and every present and future Tenant or Contract Party of or with respect to the whole or any part of the Property to pay all rentals and other Proceeds to Mortgagee from and after the date of receipt of written demand from Mortgagee to do so, and to recognize Mortgagee as the successor to Grantor under the respective Leases and Contracts should Mortgagee elect to enforce its rights thereunder.

10.5.4 Although this Mortgage constitutes an absolute, present and current assignment of all Proceeds, as long as no Event of Default as described in Section 12 on the part of the Grantor shall have occurred, Mortgagee shall not demand that such Proceeds be paid directly to Mortgagee, and Grantor shall have a license to collect, but not more than one (1) accrual period prior to the due date thereof all such Proceeds from the Property (including, without limitation, all rental payments and other proceeds due under the Leases and Contracts).

11. **Reconveyance on Full Performance.** If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Mortgage and the Loan Documents, Mortgagee shall execute and deliver to Grantor a full reconveyance and shall execute and deliver to Grantor suitable statements of termination of any financing statement on file and any other lien, encumbrance or other cloud on title created as a result of this transaction. The reconveyance and filing fees shall be paid by Grantor.

12. **Default.** The following shall constitute Events of Default under this Mortgage and other Loan Documents:

(a) Failure of Borrower to pay any portion of the Indebtedness when due and such failure shall continue for a period of five (5) business days thereafter.

(b) Failure of Borrower within the time required by this Mortgage, but in any event prior to delinquency, to make any payment for taxes, assessments, insurance or for reserves for such payment, or any other payment necessary to prevent filing of or discharge of any lien.

(c) Transfer (either voluntarily or by operation of law), as defined in Section 9 hereof, of any part or interest in the Property or Borrower without the prior written consent of Mortgagee except as expressly permitted herein.

(d) Dissolution, termination of existence, insolvency on a balance sheet basis or business failure of Borrower, except in connection with a transfer approved by Mortgagee pursuant to Section 9 hereof or unless cured within ten (10) days' notice to Grantor; the commencement by Borrower of a voluntary case under the federal bankruptcy laws or under any other federal or state law relating to insolvency or debtor's relief; the entry of a decree or order for relief against Borrower in an involuntary case under the federal bankruptcy laws or under any other applicable federal or state law relating to insolvency or debtor's relief; the appointment or the consent by Borrower to the appointment of a receiver, trustee, or custodian of Borrower or of any of Borrower's property; an assignment for the benefit of creditors by Borrower; the making or suffering by Borrower of a fraudulent transfer under applicable federal or state law; concealment by Borrower of any of its property in fraud of creditors; the making or suffering by Borrower of a voidable preference within the meaning of the federal bankruptcy law; the imposition of a lien through legal proceedings or distraint upon any of the Property of Borrower which is not discharged or bonded in the manner permitted by Section 3.2 above.

(e) Failure of Grantor to perform any other obligation under this Mortgage within thirty (30) days after receipt of written notice from Mortgagee specifying the nature of the default or, if the default cannot be cured within thirty (30) days, failure within such time to commence and pursue curative action with reasonable diligence, but in no event shall the period for cure exceed ninety (90) days. No notice of default and no opportunity to cure shall be required if during the prior twelve (12) months Mortgagee has already sent a notice to Grantor concerning default in performance of the same obligation.

(f) The material inaccuracy of any representation or warranty made pursuant to the Loan Documents or any failure to perform under the Loan Documents beyond any applicable grace period.

(g) The occurrence of a default or Event of Default under any of the Security Instruments or any other mortgage or security instrument now or hereafter securing the Indebtedness or any other documents, agreements, or indemnities evidencing, securing or relating to the loans secured thereby, subject to applicable notice and cure or grace periods in the Loan Agreement or other Loan Documents.

(h) The occurrence of a default or event of default under any mortgage, security agreement, encumbrance, tax lien or assessment or other security instrument encumbering all or any portion of the Property, subject to applicable notice and cure or grace periods in the Loan Agreement or other Loan Documents.

(i) The occurrence of an Event of Default under the Loan Agreement or any of the other Loan Documents.

13. Rights and Remedies on Default.

13.1 **Remedies.** Upon the occurrence of any Event of Default and at any time thereafter, Mortgagee may exercise any one or more of the following rights and remedies or any other remedies available under applicable law:

(a) Mortgagee may declare all or any portion of the Indebtedness immediately due and payable. Any such portion not so accelerated shall remain due and payable as stated in the instruments that evidence the same and may be accelerated thereafter if any default exists under this Mortgage or any of the Security Instruments.

(b) Mortgagee shall have the right to foreclose any of the Property encumbered by any one or all of this Mortgage and the Security Instruments by judicial foreclosure, in accordance with and to the extent allowed by applicable law.

(c) Intentionally omitted.

(d) If this Mortgage is foreclosed by judicial procedure, Mortgagee will be entitled to a judgment which will provide that if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for any amount by which the unpaid balance of the obligations secured by this Mortgage exceeds the net sale proceeds payable to Mortgagee. No such judgments shall affect or impair Mortgagee's rights and remedies under part (j) of this Section.

(e) With respect to all or any part of the Property that constitutes personalty, Mortgagee shall have all the rights and remedies of a secured party under the Uniform Commercial Code. Mortgagee shall have the option of proceeding as to the Real Property and all or some of the personal property, separately or together, in accordance with the unified sale procedures set forth in the Uniform Commercial Code as adopted in Idaho.

(f) Mortgagee shall have the right, without notice to Grantor, to take possession of the Property and collect the Proceeds, including amounts past due and unpaid, and apply the net proceeds, over and above Mortgagee's costs, against the Indebtedness. In furtherance of this right, Mortgagee may require any Tenant or other user to make payments of rent or use fees directly to Mortgagee. If the Proceeds are collected by Mortgagee, then Grantor irrevocably designates Mortgagee as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by Tenants or other users to Mortgagee in response to Mortgagee's demand shall satisfy the obligation for which the payments are made, whether or not any proper grounds for the demand existed. Mortgagee may exercise its rights under this paragraph either in person, by agent or through a receiver.

(g) Mortgagee shall have the right to have a receiver appointed to take possession of any or all of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, to collect the Proceeds from the Property and apply the Proceeds, over and above cost of the receivership, against the Indebtedness. Mortgagee may apply to any court of competent jurisdiction for the appointment of a receiver or receivers for the Property and of all the earnings, revenues, rents, issues, profits and income therefrom, ex parte, without notice, and without regard to the sufficiency or value of any security for the obligations secured hereby or the solvency of any party bound for its payment, the expenses of which shall be secured by this Mortgage. The receiver may serve without bond if permitted by law. Mortgagee's right to the appointment of a receiver shall exist whether or not apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Mortgagee shall not disqualify a person from serving as a receiver.

(h) In the event Grantor remains in possession of the Property after the Property is sold as provided above or Mortgagee otherwise becomes entitled to possession of the Property upon default of Grantor, Grantor shall become a tenant at will of Mortgagee or the purchaser of the Property and shall pay a reasonable rental for use of the Property while in Grantor's possession.

(i) Mortgagee shall have any other right or remedy provided in this Mortgage, the Notes, the Loan Documents or any other instrument delivered by Borrower in connection therewith, or available at law, in equity or otherwise whether or not specified herein.

(j) Mortgagee shall have such remedies as are provided in any of the Security Instruments or any other assignments, security agreements, or instruments securing the debts secured by any of the Security Instruments. Grantor acknowledges and agrees that this Mortgage and any or all of the Security Instruments may be judicially or non-judicially foreclosed contemporaneously or incrementally in such order as Mortgagee may elect, and that such judicial or non-judicial foreclosure shall not preclude any subsequent foreclosure so long as any portion of the debts secured by any or all of them remains outstanding.

13.2 **Rights of Receiver or Mortgagee-in-Possession.** Upon taking possession of all or any part of the Property, the receiver or Mortgagee may:

(a) Use, operate, manage, control and conduct business on the Property, including harvesting and selling Crops (other than Crops owned by Tenants), enforcing and taking actions as landlord under any Leases, and make reasonable expenditures for all maintenance, tax obligations and improvements as in its reasonable judgment are proper;

(b) Collect the Proceeds from the Property and apply such sums to the expenses of use, operation and management; and

(c) At Mortgagee's option, complete any construction or development operations in progress on the Property, and in that connection pay bills, borrow funds, employ contractors and make any changes in plans or specifications as Mortgagee deems appropriate.

If the revenues produced by the Property are insufficient to pay expenses, the receiver may borrow, from Mortgagee (if Mortgagee, in its sole discretion, agrees to lend) or otherwise, or Mortgagee may borrow or advance such sums as the receiver or Mortgagee may deem necessary for the purposes stated in this Section 13.2. The amounts borrowed or advanced shall bear interest from the date of expenditure until repaid at the same interest rate as provided in Section 14.4 below. Such sums shall become a part of the Indebtedness secured by this Mortgage and shall be payable by Grantor on demand.

13.3 **Sale of the Property.** In exercising its rights and remedies, the Mortgagee may cause all or any part of the Property to be sold as a whole or in parcels, and certain portions of the Property may be sold without selling other portions. Mortgagee may bid at any public sale on all or any portion of the Property.

13.4 **Waiver; Election of Remedies.** A waiver by either party of a breach of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. Election by Mortgagee to pursue any remedy shall not exclude pursuit of any other remedy, and all remedies of Mortgagee under this Mortgage are cumulative and not exclusive. An election to make expenditures or take action to perform an obligation of Grantor shall not affect Mortgagee's right to declare a default and exercise its remedies under this Mortgage.

13.5 **Attorneys' Fees; Expenses.** In the event suit or action is instituted to enforce any of the terms of this Mortgage, the prevailing party shall be entitled to recover its reasonable attorneys' fees at trial, on any appeal and on any petition for review, in addition to all other sums provided by law. Whether or not any court action is involved, all reasonable expenses incurred by Mortgagee that are necessary at any time in Mortgagee's opinion for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the same interest rate as provided in Section 14.4 below. Expenses covered by this paragraph include (without limitation) the cost of searching records, obtaining title reports, surveyors' reports, consultants' fees, attorneys' opinions, and title insurance. Grantor shall and does hereby agree that, if all or a portion of the principal sum of the Notes have, prior to the maturity date fixed in the obligation, become due or been declared due by reason of an Event of Default, the entire amount then due under the terms of this Mortgage and the Notes shall include all attorneys' fees and costs and expenses which are actually incurred as stated above.

The statutes referred to above shall include any successor or replacement statutes or provisions.

14. Miscellaneous.

14.1 Time of Essence. Time is of the essence of this Mortgage.

14.2 Binding Upon Successors and Assigns. Subject to the limitations stated in this Mortgage on transfer of Grantor's interest and subject to the provisions of applicable law with respect to successor trustees, this Mortgage shall be binding upon and inure to the benefit of the parties, their successors and assigns. All of the grants, covenants, terms, provisions and conditions herein contained shall run with the Real Property and shall apply to, bind and inure to the benefit of, the successors and assigns of Grantor and Mortgagee.

14.3 Security Agreement. In construing this Mortgage, the term "Mortgage" shall encompass the term "security agreement" when the instrument is being construed with respect to any personal property.

14.4 Expenditure by Mortgagee. If Grantor fails to comply with any provision of this Mortgage, Mortgagee may elect to take the required action on Grantor's behalf, and any amount that Mortgagee expends in so doing shall be added to the Indebtedness. Amounts so added shall be payable on demand with interest from the date of expenditure at the Default Interest Rate provided in the Notes, but in any event not at a rate higher than the maximum rate permitted by law. Such action by Mortgagee shall not constitute a cure or waiver of the default or any other right or remedy which Mortgagee may have on account of Grantor's default.

14.5 Notices. Any notice under this Mortgage shall be in writing and shall be effective when either delivered in person directly or by national overnight courier service, or, if mailed, shall be deemed effective on the second day after deposited as registered or certified mail, postage prepaid, addressed to the parties at the following addresses:

14.6 **Homestead Rights.** Grantor expressly waives any and all homestead and exception rights now or hereafter available under Idaho or Federal law.

14.7 **Jury Trial Waiver.** To the extent now or hereafter permitted by applicable law, the Grantor and by its acceptance hereof, the Mortgagee, hereby waive any right

to a trial by jury in any action or proceeding to enforce or defend any rights (i) under this Mortgage or any other Loan Document, or (ii) arising from any lending relationship existing in connection with this Mortgage or any other Loan Document, and the Grantor and by its acceptance hereof, the Mortgagee, agree that any such action or proceeding shall be tried before a judge and not before a jury.

14.8 **Invalid Provisions to Affect No Others.** If any of the provisions contained in the Notes or this Mortgage shall be invalid, illegal or unenforceable in any respect, the validity of the remaining provisions in this Mortgage and the Notes shall not be affected.

14.9 **Changes in Writing.** This Mortgage and any of its terms may only be changed, waived, discharged or terminated by an instrument in writing signed by the party against which enforcement of the change, waiver, discharge or termination is sought. Any agreement subsequently made by Grantor or Mortgagee relating to this Mortgage shall be superior to the rights of the holder of any intervening lien or encumbrance.

14.10 **Applicable Law.** The laws of the State of Idaho shall be applicable for the purpose of construing and determining the perfection and validity of this Mortgage and for determining the enforcement and the rights and remedies of Mortgagee hereunder.

14.11 **Joint and Several.** The obligations of each person comprising Grantor hereunder, if more than one, shall be joint and several.

14.12 **Related Obligations.** By executing, delivering and accepting this Mortgage, Grantor and Mortgagee acknowledge and agree that unless, until and to the extent provided otherwise in the Loan Agreement or a subsequent written agreement executed by Mortgagee:

(a) this Mortgage secures all of the indebtedness and obligations arising under the Notes and the other Loan Documents evidencing or securing the Loan (except the Indemnity Agreement and the Guaranty), together with all interest thereon and other sums due or to become due and obligations to be performed in connection therewith, all in such order as Mortgagee may from time to time elect;

(b) the Notes are secured by this Mortgage and the Security Instruments;

(c) any default under the Loan Agreement, the Notes, the Loan Documents, the Security Instruments or any of the security documents, indemnities, assignments, guarantees or other agreements executed in connection therewith or to secure the same shall constitute an Event of Default under this Mortgage;

(d) Mortgagee shall have the right to exercise any remedies under the Loan Agreement and Security Instruments against the Property or against any one or more properties or all of the properties encumbered by the Security Instruments at such times and in such order as it elects from time to time without waiving its rights against any person or any other property or properties;

(e) a result of the structure of the Loan is that all of the collateral now or hereafter encumbered by all of the Security Instruments, regardless of the form by which it is encumbered or the ownership, shall be security for the repayment of each of the Notes, and shall be available to satisfy the obligations incurred in connection with the entire Loan and each Note;

(f) a default by Borrower under any Note or the Loan Documents could result in the judicial or non-judicial sale of some or all the collateral for the Loan, and the application of the proceeds from such sale to complete or only partial satisfaction of the joint and several obligations of Borrower under any of the Notes or other Loan Documents; and

(g) Grantor acknowledges and agrees that the lien of this Mortgage is part of a larger pool of collateral collectively, jointly and severally securing the Notes. Accordingly, Mortgagee may foreclose this Mortgage and the other Security Instruments, simultaneously or successively and any such foreclosure shall not operate to satisfy the Indebtedness.

Grantor represents and warrants to Mortgagee that none of the Real Property is subject to Reclamation Law. For purposes of this Mortgage, "Reclamation Law" means the Reclamation Act of 1902, the Omnibus Adjustment Act of 1926, the Reclamation Reform Act of 1982 and any act or law supplementary thereto and all rules and regulations promulgated thereunder.

2.8 **Mortgagee's Right to Enter.** Mortgagee and its agents and representatives may enter upon the Property at reasonable times to attend to Mortgagee's interest and to inspect the Property and, upon reasonable advance notice to Grantor, to inspect any and all financial and other records related to Grantor's operations on the Property. Any such

inspection of Grantor's financial and other records related to Grantor's operations shall take place at Grantor's principal place of business in Champaign, Illinois.

2.9 **Patented and Trademarked Varieties.** Grantor shall not plant on the Real Property, or graft to any trees or vines on the Real Property, patented or trademarked varieties of crops, bushes, trees or vines unless Grantor owns the patent or trademark for such trees, vines or rootstock or a license to plant or graft such trees, vines or rootstock which is transferable to a successor owner of the Real Property.

2.10 **Operations on Property.** Grantor shall ensure that all operations of the Property conform to the standards of husbandry in the geographic area in which the Land is located and shall, at all times, act so as to minimize erosion and depletion of the soil. Grantor shall ensure that all wastewater or other discharges to the environment are conducted in conformance with current industry practices and all current regulatory requirements. Grantor shall use the Property solely for agricultural production and directly related purposes (which may include farm worker housing).

3. **Taxes and Liens.**

3.1 **Payment.** Grantor shall pay when due all taxes, assessments and water charges levied against or on account of the Real Property, including without limitation all water and utility district liens and assessments, and shall pay when due all claims for work done on or for services rendered or materials furnished to the Property. Grantor shall maintain the Real Property free of any liens, charges or encumbrances except for the lien of this Mortgage, Permitted Encumbrances (defined below), and of taxes and assessments not due, and except as otherwise provided in Section 3.2.

3.2 **Right to Contest.** Grantor may withhold payment of any tax, assessment or claim in connection with a good faith dispute over the obligation to pay, so long as Mortgagee's interest in the Real Property is not jeopardized, as determined by Mortgagee, and sufficient funds are reserved by Grantor, as determined by Mortgagee, to provide for any related loss, cost, payment, penalty or adverse determination. If the Real Property is subjected to a lien (except for liens for taxes and assessments that are not yet due) which is not discharged within thirty (30) days, Grantor shall deposit with Mortgagee cash, a sufficient corporate surety bond or other security satisfactory to Mortgagee in an amount sufficient to discharge the lien, plus any interest, costs, attorneys' fees or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest proceedings, Grantor will defend itself and Mortgagee and will name Mortgagee as an additional obligee under any surety bond, and Grantor shall satisfy any final adverse judgment before enforcement against the Real Property.

3.3 **Evidence of Payment.** Grantor shall promptly furnish evidence of payment of taxes and assessments to Mortgagee on its demand.

3.4 **Notice of Construction.** Grantor shall notify Mortgagee at least fifteen (15) days before any work is commenced, any services are furnished or any materials are supplied to the Real Property if a construction lien could be asserted on account of the work, services or materials and the cost exceeds One Hundred Thousand and 00/100 Dollars (\$100,000.00). On Mortgagee's request, Grantor will promptly furnish advance assurances satisfactory to Mortgagee that Grantor can and will pay the cost of such improvements.

3.5 **Farm or Agricultural Classification.** Grantor agrees to maintain the farm use or agricultural lands classification of the Property on the tax roll, and not to allow any act or omission which would disqualify the Property for assessment or zoning as farm use or agricultural lands. Notwithstanding anything contained herein to the contrary, Grantor may change the use of the Real Property from an annual crop to a permanent crop or vice versa and Mortgagee specifically acknowledges that portions of the Real Property may currently be assessed as residential/commercial use.

4. Insurance.

4.1 Casualty Insurance.

(i) Grantor shall carry such casualty insurance as is customarily carried on improvements of the nature owned by Grantor. Grantor shall not be required to carry crop destruction or damage insurance upon the Crops produced upon the Real Property.

(ii) Grantor shall promptly notify Mortgagee of any material loss or damage to the Property. Mortgagee may make proof of loss if Grantor fails to do so within fifteen (15) days of the casualty. Proceeds shall be paid as set forth in the Loan Agreement.

(iii) Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Mortgage at any foreclosure sale of the Property and Grantor shall assist Mortgagee in obtaining the related assignment.

4.2 **Liability Insurance.** Grantor shall procure and maintain in force such policies of liability insurance as are currently carried by owners of similar properties in Idaho and as Mortgagee may reasonably require including, but not limited to, comprehensive liability coverage with limits of not less than One Million and 00/100 Dollars (\$1,000,000.00) combined single limit per occurrence and a minimum aggregate limit of Two Million and 00/100 Dollars (\$2,000,000.00) with an endorsement showing Mortgagee as an additional insured.

4.3 **Flood Insurance.** Grantor shall procure and maintain such other insurance as may, from time to time, be reasonably required by Mortgagee against other insurable hazards, including but not limited to flood.

4.4 **Insurance Carriers and Certificates.** All insurance policies required hereby shall be issued by companies reasonably satisfactory to Mortgagee on forms, terms and conditions and with deductibles reasonably satisfactory to Mortgagee, all such policies shall be continuously maintained and in full force and effect without material modification for reduction in scope or amount of coverage. Certificates evidencing such insurance and providing thirty (30) days' notice to Mortgagee prior to any cancellation or material reduction in coverage shall be provided to Mortgagee at closing and maintained current at all times.

5. **Warranties of Grantor.**

5.1 **Title.** Grantor warrants that it holds indefeasible and marketable fee title to the Real Property, and merchantable fee title to all of the remainder of the Property, free of all encumbrances other than those set forth in the title insurance policy to be issued to Mortgagee at closing, and leases or other exceptions permitted by the Loan Agreement (the "**Permitted Encumbrances**").

5.2 **Defense of Title.** Subject to the Permitted Encumbrances, Grantor warrants and will forever defend the title to the Property (including without limitation all Water Rights) against the lawful claims of all persons. In the event any action or proceeding is commenced that questions Grantor's title or the interest of Mortgagee under this Mortgage, Grantor shall defend the action at its expense.

5.3 **Business Purposes.** Grantor warrants that Grantor is engaging in this transaction exclusively for business, commercial or investment purposes.

5.4 **No Litigation.** Grantor represents and warrants that there is no litigation pending or, to the current actual knowledge of its members, partners, or officers, threatened against Grantor which will substantially adversely affect the ability of Grantor to perform its obligations hereunder, nor will the execution or performance of this Mortgage and the Notes violate the terms of any order of any court. If such litigation is filed, Grantor agrees to notify Mortgagee promptly by providing Mortgagee with a copy of the summons and complaint.

5.5 **Patented and Trademarked Varieties.** To the extent there are permanent plantings, there are not currently growing on the Real Property any trees, plants, vines or other permanent plantings that are covered by any trademark or patent or pending patent or trademark application other than those which (i) the Grantor has the right to sell and encumber without the consent of, or paying a fee to, any third party or for which it holds a duly issued license, or (ii) with regard to those owned by a Tenant, the Grantor has the right to remove at the expiration of a Tenant's lease.

5.6 **Water.** The Water Rights afford the continuing, enforceable right to receive irrigation water on the Real Property from such sources, in such quantities and at such times and locations as has historically been available to the Real Property without interruption or

substantially increased cost, and in any event, based on current projections, sufficient to provide adequate water and/or drainage to continue the current and proposed farming operations on the Real Property.

5.7 **Office of Foreign Asset Control.** Grantor represents that, and agrees to furnish Mortgagee on request evidence confirming that neither Grantor nor any partner, member or stockholder of Grantor is, and no legal or beneficial interest in a partner, member or stockholder of Grantor is or will be held, directly or indirectly by persons or entities appearing on a US Treasury Office of Foreign Assets Control ("OFAC") list, with respect to which entering into transactions with such a person or entity would violate the laws and regulations administered by OFAC or any other law. At all times throughout the term of the Loan, Grantor and all of its respective affiliates shall be in full compliance with all applicable orders, rules, regulations and recommendations of OFAC.

6. **Condemnation.**

6.1 **Application of Net Proceeds.** If all or any part of the Real Property is condemned, Mortgagee may elect to require that all or any portion of the net proceeds of the condemnation in excess of \$100,000 be applied on the Indebtedness. The "net proceeds" shall mean the total amount available after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or incurred by Grantor and Mortgagee in connection with the taking by condemnation. Sale of all or any part of the Real Property to a purchaser with the power of eminent domain in the face of a threat or the probability of the exercise of the power shall be treated as a taking by condemnation to which this Section 6 shall apply and shall not be considered a transfer for purpose of Section 9 hereof.

6.2 **Proceedings.** If any proceedings in condemnation are filed, Grantor shall promptly take such steps as may be necessary to defend the action and obtain the award. In the event Mortgagee has reasonable grounds for insecurity with regard to Grantor's performance of its obligations under this Section 6, Mortgagee shall be entitled, at its option, to commence, appear in and prosecute in its own name any action or proceeding, or to make any reasonable compromise or settlement in connection with such taking or damage, and to obtain and distribute all compensation, awards or other relief therefor to which Grantor may be entitled in accordance with Paragraph 6.1.

7. **Imposition of Tax By State.**

7.1 **State Taxes Covered.** The following shall constitute state taxes to which this Section 7 applies:

(a) A specific tax upon deeds of trust or mortgages or upon all or any part of the indebtedness secured by a deed of trust or mortgage.

(b) A specific tax on a grantor which the taxpayer is authorized or required to deduct from payments on the indebtedness secured by a deed of trust or mortgage.

(c) A tax on a deed of trust or mortgage chargeable against the beneficiary or the holder of the note secured.

(d) A specific tax on all or any portion of the indebtedness or on payments of principal and interest made by Grantor (other than Mortgagee's income or gross receipts taxes).

7.2 **Remedies.** If any state tax to which this Section 7 applies is enacted subsequent to the date of this Mortgage and this Mortgage becomes subject to such tax, this shall have the same effect as a default, and Mortgagee may exercise any or all of the remedies available to it in the event of a default unless the following conditions are met:

(a) Grantor lawfully pays the tax or charge imposed by the state tax;
and

(b) Grantor pays the tax or charge within thirty (30) days after notice from Mortgagee that the tax law has been enacted or fifteen (15) days prior to the date the tax is payable, whichever is later.

8. **Intentionally Omitted.**

9. **Transfer By Grantor.**

9.1 **Prohibition of Transfer Without Consent.** Except as permitted under the terms of the Loan Agreement, Grantor shall not sell, agree to sell, assign, partition, convey, subcontract, mortgage or otherwise transfer or encumber any fee interest or leasehold interest of more than five years of any part or all of the Property or any interest in the Property, including without limitation any interest in the Water Rights (other than Permitted Encumbrances as defined in the Loan Agreement), without the prior written consent of Mortgagee, which consent may be withheld in Mortgagee's sole discretion. If Grantor or a prospective transferee applies to Mortgagee for consent to a transfer, Mortgagee may require such information as may be reasonably necessary for Mortgagee to assess the prospective transferee's prior business experience, reputation and financial ability to perform Grantor's obligations under this Mortgage. Without limiting the generality of the foregoing, the occurrence at any time of any of the following events without Mortgagee's prior written consent, or except as otherwise specifically allowed under the Loan Agreement, shall be deemed a transfer of title to the Property:

(a) Any sale, conveyance, assignment or other transfer of, or the grant of a security interest or mortgage or other lien in, all or any part of the legal or equitable title to the Property;

(b) Any conveyance, grant or other transfer of the legal or equitable title to the Property which occurs by operation of law, by trustees in bankruptcy, executors or estate administrators or executors, or by or through a bankruptcy court;

(c) Any lease of the Property with a term longer than five (5) years except as permitted under the Loan Agreement;

(d) Any of the above events occurs with respect to any portion of the Water Rights; and

(e) Any sale, transfer or assignment in any manner of membership interests in Grantor which are not expressly permitted upon the terms and conditions stated in the Loan Agreement.

9.2 **Condition to Consent.** As a condition of its consent to any transfer of the Real Property where consent is required under Section 9.1 above, Mortgagee may in its discretion impose a reasonable service charge and may increase the interest rate of the Indebtedness and impose such additional conditions as Mortgagee may then determine to be consistent with Mortgagee's underwriting standards and practices then in effect.

9.3 **Effect of Consent.** Consent by Mortgagee to one transfer shall not constitute a consent to other transfers or a waiver of this Section 9. No transfer by Grantor shall relieve Grantor of liability for payment of the Indebtedness. Following a transfer, Mortgagee may agree to any extension of time for payment or modification of the terms of this Mortgage or the Notes or waive any right or remedy under this Mortgage or the Notes without relieving Grantor from liability. Grantor waives notice, presentment, and protest with respect to the Indebtedness.

10. **Security Agreement; Security Interest.**

10.1 **Security Agreement.** This instrument shall constitute a security agreement with respect to Grantor's right, title and interest in and to the Proceeds, Crops, Water Rights, Improvements, Intangibles, Proceeds, Minerals and any other equipment and personal property included in the description of the Property, and Grantor hereby grants to Mortgagee a security interest therein.

10.2 **Security Interest.** Grantor authorizes Mortgagee to file in any relevant jurisdiction any initial financing statements (including fixture filings) and amendments thereto necessary to perfect and continue Mortgagee's security interest in the Property. Upon request by

Mortgagee, Grantor shall take whatever other action is reasonably requested by Mortgagee to perfect and continue Mortgagee's security interest in the Property. Grantor hereby appoints Mortgagee as Grantor's attorney-in-fact for the purpose of executing or filing any documents necessary to perfect or continue the security interest granted therein. Grantor will reimburse Mortgagee for all expenses incurred in perfecting or continuing this security interest.

10.3 **Fixture Filing.** This instrument constitutes a financing statement filed as a fixture filing in the Official Records of the County Recorder of the county in which the Property is located with respect to any and all fixtures included within the term "**Property**" as used herein and with respect to any goods or other personal property that may now be or hereafter become such fixtures. The Grantor is the record owner of the Property. Grantor shall be deemed the "**Debtor**" with the address set forth for Grantor in Section 14.5 hereof. Mortgagee shall be deemed to be the "**Secured Party**" with the address set forth for Mortgagee in Section 14.5 hereof and shall have all of the rights of a secured party under the Uniform Commercial Code. This Mortgage covers goods which are or are to become fixtures.

10.4 **Representations, Warranties and Covenants.** Grantor hereby represents, warrants, and covenants as follows:

(a) Grantor warrants that (i) Grantor's (that is, "**Debtor's**") name, identity, and principal place of residence/state of organization are as referred to in the first paragraph of this Mortgage, (ii) Grantor has not operated the Property under any other name; and (iii) the location of all tangible personal property collateral is upon the Land. Grantor covenants and agrees that Grantor will furnish Mortgagee with notice of any change in the matters addressed by clauses (i) or (ii) of this Section 10.4 within thirty (30) days of the effective date of any such change, and Grantor authorizes the filing or recording of any financing statements or other instruments deemed necessary by Mortgagee to prevent any filed financing statement from becoming misleading or losing its perfected status. Grantor shall provide to Mortgagee upon request, certified copies of any searches of UCC records deemed necessary or appropriate by Mortgagee to confirm the first priority status of its security interest in the personal property, together with copies of all documents or records reflected therein.

(b) The security interest held by Mortgagee shall cover cash and non-cash proceeds of the personal property, but nothing contained herein shall be construed as authorizing, either expressly or by implication, the sale or other disposition of any of the personal property by Grantor, which sale or other disposition is hereby expressly prohibited without the Mortgagee's prior written consent, other than sales of crops in the ordinary course of the farming operations conducted on the Property.

(c) All of the Property is and shall be owned by Grantor, and is not and shall not be the subject matter of any lease or other instrument, agreement or transaction whereby the ownership or beneficial interest thereof or therein shall be held by any person or

entity other than Grantor, except to the extent Mortgagee consents in writing to any lease of any of such property, which consent shall not be unreasonably withheld or conditioned. Grantor shall not create or cause to be created any security interest covering any of the personal property, other than (1) the security interest created herein in favor of Mortgagee, (2) the rights of Tenants lawfully occupying the Property pursuant to Leases approved by Mortgagee, (3) the Permitted Encumbrances, or (4) security interests otherwise permitted under the Loan Agreement.

10.5 Assignment of Leases and Contracts.

10.5.1 As additional collateral and to further secure the Indebtedness and other obligations of Grantor, Grantor does hereby absolutely, presently and irrevocably assign, grant, transfer, and convey to Mortgagee and its successors and assigns, and grants to Mortgagee, its successors and assigns, a security interest in, all of Grantor's right, title, and interest in, to, and under all leases, subleases, tenant contracts, rental agreements, franchise agreements, water and well agreements, management agreements, crop purchase agreements and management contracts, construction contracts and other contracts, licenses and permits, map approvals and conditional use permits, whether written or oral, now or hereafter affecting all or any part of the Property, and any agreement for the use or occupancy of all or any part of said Property which may have been made heretofore or which may be made hereafter, including any and all extensions, renewals, and modifications of the foregoing and guaranties of the performance or obligations of any tenants or other parties thereunder, and all other arrangements of any sort resulting in the payment of money to Grantor or in Grantor becoming entitled to the payment of money for the sale use of any portion of the Property or any part thereof whether such user or occupier is tenant, invitee, purchaser, contract party or licensee (all of the foregoing hereafter referred to collectively as the "**Leases and Contracts**" and individually as a "**Lease or Contract**", and said tenants, invitees, purchasers, contract parties and licensees are hereafter referred to collectively as "**Tenants and Contract Parties**" and individually as "**Tenant or Contract Party**" as the context requires), which Leases and Contracts cover or related to all or portions of the Property; together with all of Grantor's right, title, and interest in and to all Proceeds which shall include all income, rents, issues, royalties, profits, rights and benefits and all Tenants' and Contract Parties' security and other similar deposits derived with respect to the Leases and Contracts and with respect to the Property, including, without limitation, all base and minimum rents, percentage rents, additional rents, payments in lieu of rent, crop proceeds, expense contributions, and other similar such payments and the right to collect the same as they become due, it being the intention of the parties hereto to establish an absolute transfer and assignment of all of the Leases and Contracts and the Proceeds to Mortgagee, and not just to create a security interest.

10.5.2 Grantor hereby represents, warrants, and agrees as follows:

(a) Grantor is the sole holder of the landlord's interest under the Leases, or the owner's interest under the Contracts, as applicable and is entitled to receive the

Proceeds under the Leases and Contracts from the Property, and has the full right to sell, assign, transfer, and set over the same and to grant to and confer upon Mortgagee the rights, interests, powers and authorities herein granted and conferred; and

(b) Grantor has made no pledge or assignment of the Leases and Contracts or Proceeds, other than to Mortgagee, and Grantor shall not, after the date hereof, make or permit any such pledge or assignment.

10.5.3 Grantor hereby covenants and agrees that Grantor shall authorize and direct, and does hereby authorize and direct, each and every present and future Tenant or Contract Party of or with respect to the whole or any part of the Property to pay all rentals and other Proceeds to Mortgagee from and after the date of receipt of written demand from Mortgagee to do so, and to recognize Mortgagee as the successor to Grantor under the respective Leases and Contracts should Mortgagee elect to enforce its rights thereunder.

10.5.4 Although this Mortgage constitutes an absolute, present and current assignment of all Proceeds, as long as no Event of Default as described in Section 12 on the part of the Grantor shall have occurred, Mortgagee shall not demand that such Proceeds be paid directly to Mortgagee, and Grantor shall have a license to collect, but not more than one (1) accrual period prior to the due date thereof all such Proceeds from the Property (including, without limitation, all rental payments and other proceeds due under the Leases and Contracts).

11. **Reconveyance on Full Performance.** If Grantor pays all of the Indebtedness when due and otherwise performs all the obligations imposed upon Grantor under this Mortgage and the Loan Documents, Mortgagee shall execute and deliver to Grantor a full reconveyance and shall execute and deliver to Grantor suitable statements of termination of any financing statement on file and any other lien, encumbrance or other cloud on title created as a result of this transaction. The reconveyance and filing fees shall be paid by Grantor.

12. **Default.** The following shall constitute Events of Default under this Mortgage and other Loan Documents:

(a) Failure of Borrower to pay any portion of the Indebtedness when due and such failure shall continue for a period of five (5) business days thereafter.

(b) Failure of Borrower within the time required by this Mortgage, but in any event prior to delinquency, to make any payment for taxes, assessments, insurance or for reserves for such payment, or any other payment necessary to prevent filing of or discharge of any lien.

(c) Transfer (either voluntarily or by operation of law), as defined in Section 9 hereof, of any part or interest in the Property or Borrower without the prior written consent of Mortgagee except as expressly permitted herein.

(d) Dissolution, termination of existence, insolvency on a balance sheet basis or business failure of Borrower, except in connection with a transfer approved by Mortgagee pursuant to Section 9 hereof or unless cured within ten (10) days' notice to Grantor; the commencement by Borrower of a voluntary case under the federal bankruptcy laws or under any other federal or state law relating to insolvency or debtor's relief; the entry of a decree or order for relief against Borrower in an involuntary case under the federal bankruptcy laws or under any other applicable federal or state law relating to insolvency or debtor's relief; the appointment or the consent by Borrower to the appointment of a receiver, trustee, or custodian of Borrower or of any of Borrower's property; an assignment for the benefit of creditors by Borrower; the making or suffering by Borrower of a fraudulent transfer under applicable federal or state law; concealment by Borrower of any of its property in fraud of creditors; the making or suffering by Borrower of a voidable preference within the meaning of the federal bankruptcy law; the imposition of a lien through legal proceedings or distraint upon any of the Property of Borrower which is not discharged or bonded in the manner permitted by Section 3.2 above.

(e) Failure of Grantor to perform any other obligation under this Mortgage within thirty (30) days after receipt of written notice from Mortgagee specifying the nature of the default or, if the default cannot be cured within thirty (30) days, failure within such time to commence and pursue curative action with reasonable diligence, but in no event shall the period for cure exceed ninety (90) days. No notice of default and no opportunity to cure shall be required if during the prior twelve (12) months Mortgagee has already sent a notice to Grantor concerning default in performance of the same obligation.

(f) The material inaccuracy of any representation or warranty made pursuant to the Loan Documents or any failure to perform under the Loan Documents beyond any applicable grace period.

(g) The occurrence of a default or Event of Default under any of the Security Instruments or any other mortgage or security instrument now or hereafter securing the Indebtedness or any other documents, agreements, or indemnities evidencing, securing or relating to the loans secured thereby, subject to applicable notice and cure or grace periods in the Loan Agreement or other Loan Documents.

(h) The occurrence of a default or event of default under any mortgage, security agreement, encumbrance, tax lien or assessment or other security instrument encumbering all or any portion of the Property, subject to applicable notice and cure or grace periods in the Loan Agreement or other Loan Documents.

(i) The occurrence of an Event of Default under the Loan Agreement or any of the other Loan Documents.

13. Rights and Remedies on Default.

13.1 **Remedies.** Upon the occurrence of any Event of Default and at any time thereafter, Mortgagee may exercise any one or more of the following rights and remedies or any other remedies available under applicable law:

(a) Mortgagee may declare all or any portion of the Indebtedness immediately due and payable. Any such portion not so accelerated shall remain due and payable as stated in the instruments that evidence the same and may be accelerated thereafter if any default exists under this Mortgage or any of the Security Instruments.

(b) Mortgagee shall have the right to foreclose any of the Property encumbered by any one or all of this Mortgage and the Security Instruments by judicial foreclosure, in accordance with and to the extent allowed by applicable law.

(c) Intentionally omitted.

(d) If this Mortgage is foreclosed by judicial procedure, Mortgagee will be entitled to a judgment which will provide that if the foreclosure sale proceeds are insufficient to satisfy the judgment, execution may issue for any amount by which the unpaid balance of the obligations secured by this Mortgage exceeds the net sale proceeds payable to Mortgagee. No such judgments shall affect or impair Mortgagee's rights and remedies under part (j) of this Section.

(e) With respect to all or any part of the Property that constitutes personalty, Mortgagee shall have all the rights and remedies of a secured party under the Uniform Commercial Code. Mortgagee shall have the option of proceeding as to the Real Property and all or some of the personal property, separately or together, in accordance with the unified sale procedures set forth in the Uniform Commercial Code as adopted in Idaho.

(f) Mortgagee shall have the right, without notice to Grantor, to take possession of the Property and collect the Proceeds, including amounts past due and unpaid, and apply the net proceeds, over and above Mortgagee's costs, against the Indebtedness. In furtherance of this right, Mortgagee may require any Tenant or other user to make payments of rent or use fees directly to Mortgagee. If the Proceeds are collected by Mortgagee, then Grantor irrevocably designates Mortgagee as Grantor's attorney-in-fact to endorse instruments received in payment thereof in the name of Grantor and to negotiate the same and collect the proceeds. Payments by Tenants or other users to Mortgagee in response to Mortgagee's demand shall satisfy the obligation for which the payments are made, whether or not any proper grounds for the demand existed. Mortgagee may exercise its rights under this paragraph either in person, by agent or through a receiver.

(g) Mortgagee shall have the right to have a receiver appointed to take possession of any or all of the Property, with the power to protect and preserve the Property, to operate the Property preceding foreclosure or sale, to collect the Proceeds from the Property and apply the Proceeds, over and above cost of the receivership, against the Indebtedness. Mortgagee may apply to any court of competent jurisdiction for the appointment of a receiver or receivers for the Property and of all the earnings, revenues, rents, issues, profits and income therefrom, ex parte, without notice, and without regard to the sufficiency or value of any security for the obligations secured hereby or the solvency of any party bound for its payment, the expenses of which shall be secured by this Mortgage. The receiver may serve without bond if permitted by law. Mortgagee's right to the appointment of a receiver shall exist whether or not apparent value of the Property exceeds the Indebtedness by a substantial amount. Employment by Mortgagee shall not disqualify a person from serving as a receiver.

(h) In the event Grantor remains in possession of the Property after the Property is sold as provided above or Mortgagee otherwise becomes entitled to possession of the Property upon default of Grantor, Grantor shall become a tenant at will of Mortgagee or the purchaser of the Property and shall pay a reasonable rental for use of the Property while in Grantor's possession.

(i) Mortgagee shall have any other right or remedy provided in this Mortgage, the Notes, the Loan Documents or any other instrument delivered by Borrower in connection therewith, or available at law, in equity or otherwise whether or not specified herein.

(j) Mortgagee shall have such remedies as are provided in any of the Security Instruments or any other assignments, security agreements, or instruments securing the debts secured by any of the Security Instruments. Grantor acknowledges and agrees that this Mortgage and any or all of the Security Instruments may be judicially or non-judicially foreclosed contemporaneously or incrementally in such order as Mortgagee may elect, and that such judicial or non-judicial foreclosure shall not preclude any subsequent foreclosure so long as any portion of the debts secured by any or all of them remains outstanding.

13.2 **Rights of Receiver or Mortgagee-in-Possession.** Upon taking possession of all or any part of the Property, the receiver or Mortgagee may:

(a) Use, operate, manage, control and conduct business on the Property, including harvesting and selling Crops (other than Crops owned by Tenants), enforcing and taking actions as landlord under any Leases, and make reasonable expenditures for all maintenance, tax obligations and improvements as in its reasonable judgment are proper;

(b) Collect the Proceeds from the Property and apply such sums to the expenses of use, operation and management; and

(c) At Mortgagee's option, complete any construction or development operations in progress on the Property, and in that connection pay bills, borrow funds, employ contractors and make any changes in plans or specifications as Mortgagee deems appropriate.

If the revenues produced by the Property are insufficient to pay expenses, the receiver may borrow, from Mortgagee (if Mortgagee, in its sole discretion, agrees to lend) or otherwise, or Mortgagee may borrow or advance such sums as the receiver or Mortgagee may deem necessary for the purposes stated in this Section 13.2. The amounts borrowed or advanced shall bear interest from the date of expenditure until repaid at the same interest rate as provided in Section 14.4 below. Such sums shall become a part of the Indebtedness secured by this Mortgage and shall be payable by Grantor on demand.

13.3 **Sale of the Property.** In exercising its rights and remedies, the Mortgagee may cause all or any part of the Property to be sold as a whole or in parcels, and certain portions of the Property may be sold without selling other portions. Mortgagee may bid at any public sale on all or any portion of the Property.

13.4 **Waiver; Election of Remedies.** A waiver by either party of a breach of a provision of this Mortgage shall not constitute a waiver of or prejudice the party's right otherwise to demand strict compliance with that provision or any other provision. Election by Mortgagee to pursue any remedy shall not exclude pursuit of any other remedy, and all remedies of Mortgagee under this Mortgage are cumulative and not exclusive. An election to make expenditures or take action to perform an obligation of Grantor shall not affect Mortgagee's right to declare a default and exercise its remedies under this Mortgage.

13.5 **Attorneys' Fees; Expenses.** In the event suit or action is instituted to enforce any of the terms of this Mortgage, the prevailing party shall be entitled to recover its reasonable attorneys' fees at trial, on any appeal and on any petition for review, in addition to all other sums provided by law. Whether or not any court action is involved, all reasonable expenses incurred by Mortgagee that are necessary at any time in Mortgagee's opinion for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest from the date of expenditure until repaid at the same interest rate as provided in Section 14.4 below. Expenses covered by this paragraph include (without limitation) the cost of searching records, obtaining title reports, surveyors' reports, consultants' fees, attorneys' opinions, and title insurance. Grantor shall and does hereby agree that, if all or a portion of the principal sum of the Notes have, prior to the maturity date fixed in the obligation, become due or been declared due by reason of an Event of Default, the entire amount then due under the terms of this Mortgage and the Notes shall include all attorneys' fees and costs and expenses which are actually incurred as stated above.

The statutes referred to above shall include any successor or replacement statutes or provisions.

14. Miscellaneous.

14.1 Time of Essence. Time is of the essence of this Mortgage.

14.2 Binding Upon Successors and Assigns. Subject to the limitations stated in this Mortgage on transfer of Grantor's interest and subject to the provisions of applicable law with respect to successor trustees, this Mortgage shall be binding upon and inure to the benefit of the parties, their successors and assigns. All of the grants, covenants, terms, provisions and conditions herein contained shall run with the Real Property and shall apply to, bind and inure to the benefit of, the successors and assigns of Grantor and Mortgagee.

14.12 **Related Obligations.** By executing, delivering and accepting this Mortgage, Grantor and Mortgagee acknowledge and agree that unless, until and to the extent provided otherwise in the Loan Agreement or a subsequent written agreement executed by Mortgagee:

(a) this Mortgage secures all of the indebtedness and obligations arising under the Notes and the other Loan Documents evidencing or securing the Loan (except the Indemnity Agreement and the Guaranty), together with all interest thereon and other sums due or to become due and obligations to be performed in connection therewith, all in such order as Mortgagee may from time to time elect;

(b) the Notes are secured by this Mortgage and the Security Instruments;

(c) any default under the Loan Agreement, the Notes, the Loan Documents, the Security Instruments or any of the security documents, indemnities, assignments, guarantees or other agreements executed in connection therewith or to secure the same shall constitute an Event of Default under this Mortgage;

(d) Mortgagee shall have the right to exercise any remedies under the Loan Agreement and Security Instruments against the Property or against any one or more properties or all of the properties encumbered by the Security Instruments at such times and in such order as it elects from time to time without waiving its rights against any person or any other property or properties;

(e) a result of the structure of the Loan is that all of the collateral now or hereafter encumbered by all of the Security Instruments, regardless of the form by which it is encumbered or the ownership, shall be security for the repayment of each of the Notes, and shall be available to satisfy the obligations incurred in connection with the entire Loan and each Note;

(f) a default by Borrower under any Note or the Loan Documents could result in the judicial or non-judicial sale of some or all the collateral for the Loan, and the application of the proceeds from such sale to complete or only partial satisfaction of the joint and several obligations of Borrower under any of the Notes or other Loan Documents; and

(g) Grantor acknowledges and agrees that the lien of this Mortgage is part of a larger pool of collateral collectively, jointly and severally securing the Notes. Accordingly, Mortgagee may foreclose this Mortgage and the other Security Instruments, simultaneously or successively and any such foreclosure shall not operate to satisfy the Indebtedness.

RE: Notice of Security Interest for Water Rights in the name of Global Ag Properties USA LLC
(See attached list)

Dear Security Interest Holder:

The Department of Water Resources (Department) acknowledges receipt of correspondence adding security interest of the above referenced water right(s) to you. The Department has modified its records to reflect the change in security interest and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Security Interest, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

If you have any questions concerning the enclosed information, please contact me at (208) 736-3033.

Sincerely,
