RE: Petition to Intervene in Contested Transfer # 83053 (Gordon Younger Estate)

Dear Applicants:

The Idaho Department of Water Resources ("Department") received a Petition to Intervene ("Petition") in the matter of contested Transfer # 83053. The Petition was filed with the Department by the South Valley Ground Water District, but may not have been served on all parties to this contested case. A copy of the Petition is enclosed for your reference and review.

The Department's Rules of Procedure (<https://adminrules.idaho.gov/rules/current/37/370101.pdf>) indicate that the Department will act on a Petition to intervene no sooner than seven (7) days after its filing. Although the Department received the Petition more than seven days ago, other parties may not have had an opportunity to review the Petition. The Department will wait an additional seven (7) days before acting on the Petition.

Please feel free to contact me if you have any questions or concerns regarding this process.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Corey Skinner'.
