Dear Mr. Stiles and Ms. McConnell,

I am writing you in regards to our phone conversation yesterday. In answer to your question about contacting the Idaho Department of Fish and Game and Department of Environmental Quality. Water Resources will be sending each agency a comment letter, however we cannot finish processing your application until we receive written comment back from them. Those letters will go out near the end of next week. In the meantime, to facilitate a quicker response from these agencies, I would encourage you to send them a copy of your application. I took the liberty of making an electronic copy of your application for you to email to them. Hopefully, this will speed up our total processing time. Thanks for your attention to this matter. RE: Application for Permit 78-12512

Dear Applicant(s):

The Idaho Department of Water Resources (IDWR) is reviewing your application for a new water permit from a source within the Salmon River basin. Additional information is needed to fully evaluate your proposal. IDWR is working with other agencies of the State of Idaho regarding projects requiring new water right approval within the Salmon River basin.

Please see the enclosed attachment about additional information for your application. Page 1 of the attachment outlines the legal basis and reasons for this request. That page also provides contact information for the other state agencies that will be involved in this process. Please provide written comments from those other state agencies regarding your application.

Page 2 of the attachment lists Water Appropriations Rules 40.05.c-g. Rule 40.05.g will be covered by written comments from the other state agencies. **Rule 40.05c-f is not** required for your application. Please see enclosure for guidance on addressing the local public interest requirement of Rule 40.05.g.

Please provide the requested information within the next thirty (30) days. Alternately, you may seek up to six months additional time to provide the information. **The application will be voided if a timely written response is not received.** A refund of the filing fee will not be issued for a voided application.

IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please contact me at 208-334-2190 if you have any questions. Thank you for your attention to this matter.

Re: Water Right Application Incomplete - Returned

Dear Applicant:

This office received your application on August 10, 2018. The application cannot be accepted into the records of the Idaho Department of Water Resources (IDWR) until the following items are addressed:

- 4 – Location of point(s) of diversion:
 - SW of the NE quarter-quarter (SWNE) needs to be listed in the correct location; second and third boxes under "1/4" (not first and second).
- 7 – Proposed diverting works:
 - Please describe the diverting works in this section (7a).
- 9 – Description of place of use:
 - Appears the wrong acreage (0.08) was placed in the wrong quarter-quarter (SESW). Based on the listed total number of acres to be irrigated, and the map, 0.8 acres should be listed in the NESE quarter-quarter.
- 13 – Time to complete:
 - Please provide the time required for completion of works and application of water to proposed beneficial use. This is a minimum of 1 year and a maximum of 5 years.

The original incomplete application is enclosed. Please make the necessary amendments to the original form and re-submit it within the next thirty (30) days. If IDWR does not receive your written response within thirty (30) days, a refund will be issued for this filing. This letter is an attempt to ensure that your application is complete in order to establish a priority date. You may receive future correspondence regarding more specific details of your application. IDWR forms and other information are available on the Internet at www.idwr.idaho.gov. Please consult the IDWR website or contact this office at 208-334-2190 and ask for the "office day person" if you have any questions about the necessary information or fee.

Sincerely,
