RE: Notice of Change in Water Right Ownership No(s). 63-33698

Dear Interested Party(s):

The Department of Water Resources received a request from you to update the owner of water right 63-33698. Unfortunately, the letter the Department received is not sufficient to make this change.

The Department will require a Notice of Change in Water Right Ownership form, available on our website, www.idwr.idaho.gov, a warranty deed that conveys the property to The Corporation of The Presiding Bishop of The Church of Jesus Christ of Latter Day Saints, a Utah Corporation, and a \$25 fee. The Department does not know the structure of the Church and therefore does not know if the Eagle FM Group CPB of the LDS Church is the same as The Corporation of The Presiding Bishop of The Church of Jesus Christ of Latter Day Saints, a Utah Corporation.

Because the Department cannot process the request without proper documentation and fees, we will hold any action on your notice pending receipt of the necessary information and fees. If we do not receive the necessary information and fees within 30 days we will return your request unprocessed. Please send the documents and fee to the address above.

Please contact me at (208) 287-4942 if you have any questions regarding this matter.

Sincerely,

A handwritten signature in cursive script that reads "Jean Hersley".

Subject: Water Right #63-33698 – Notice of Change in Name of Water Right Ownership

Dear Ms. Hersley:

In reviewing the Water Rights Report for Water Right #63-33698, the Current Owner is listed as the Eagle FM Group CPB of the LDS Church. Apparently, the filing was done by our local facility manager but we wish to change the name of the Current Owner to the following:

“The Corporation of the Presiding Bishop of The Church of Jesus Christ of Latter-day Saints, a Utah corporation sole.”

The term “CPB of the LDS Church” in the current listing in fact refers to “The Corporation of the Presiding Bishop of The Church of Jesus Christ of Latter-day Saints, a Utah corporation sole” but is not correct with the Eagle FM Group included. If this letter is sufficient, please make this change on our Water Right 63-33698 and let us know when you have made the change. However, please let us know if you need us to provide a more formal Water Resources Department completed form to make this change. We appreciate your cooperation.

Matthew Paul Davidson, P.E.
