Re: Change in Ownership for Water Right No(s): 67-4341, 67-7697, 65-10661, 67-10010

Ownership change for 67-7150 could not be processed.

Dear Water Right Holder(s):

The Department of Water Resources Western acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

The department received a Notice of Change in Water Right Ownership from you on April 4, 2019 for the above referenced water rights (67-7150). The notice for water right number 67-7150 could not be processed because the location of the water right did not match the legal description in the deed. The deed stated that it was Section 8 and all that portion of the S1/2SW1/4 lying north of the centerline of the county road known as Cove Road. The water right 67-7150 is located south of the county road known as Cove Road (See included map).

Since the deed does not match the department's records, this water right number (67-7150) was not updated. If you this property is yours, please send a conveyance document that includes a legal description of where the water right is located according to our records. The department will hold the application for 30 days (7/1/19). If no new documents are received by July 1, 2019, the department will issue a refund of \$100 for the cost of water right 67-7150 as it was listed as a split water right.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 334-2190.

Sincerely,

Kensie Thorneycroft
Office Specialist 2
