RE: Change in Water Right Ownership Water Right No. 35-2167E, 35-2167F

Dear Sir/Madam:

The Department of Water Resources acknowledges receipt of your Notice of Change in Water Right Ownership.

Our review of your notice indicates that additional information is required before we can process the change. The information required is indicated below:

***** **Evidence of Water Right Ownership:** copy of **Recorded Deed** or other legal document indicating your ownership of the property and/or water rights in question. The deed we received is not recorded, and it indicates the grantor as William R Schroeder, Successor Trustee of the Armin H. Schroeder Family Living Trust, however the current owners on record are William R Schroeder & Katherine Schroeder. We need a full chain of title, so we need you to provide the deed(s) between William & Katherine to the Armin H. Schroeder Family Living Trust as well as the recorded version of the deed that has been provided. All deeds must be the recorded copies.

Because the Department cannot process the ownership change without proper documentation/fees, we will hold any action on your notice pending receipt of the necessary information/fees. If we do not receive the necessary information/fees within 30 days we will return your notice and all attachments and your notice will not be processed.

Please note that Section 42-248, Idaho Code, requires you or the owner of this water right to maintain current ownership and address records on file with the department. Forms to file a change of ownership of a water right and/or a change in the address of the water right owner are available from any department office, or at the department's website at: www.idwr.idaho.gov.

Please feel free to contact the Department if you have any questions.

Sincerely,

Cher Ramos
Technical Records Specialist
