RE: Middleton Irrigation Association Water Right #63-198AC

Dear Mr. Farris:

We are requesting that the Middleton Irrigation Association petition the Idaho Department of Water Resources to rescind the transfer of the water right that provided for replacement losses caused by evaporation from 3 ponds within the Pinewood Lakes Reserve Subdivision associated with water right 63-31924. This request is required by IDWR because the transfer was not developed as required by the transfer and the evaporation mitigation is no longer required per IDWR policy.

Should you have any questions, please contact myself at 841-1545 or Steve Lester at IDWR at 334-2190.

Sincerely,

THE RESERVE AT PINEWOOD LAKES HOMEOWNERS ASSN.

John Tensen  
President
