Corey,

Have you received the necessary documents from Idaho Power that would allow IDWR to move forward with processing this permit?

Corey, John, Kimberly,

I have been able to talk with all three of you individually over the last wee7 days concerning permit 36-17131. From my conversations it sounds like everyone is on board with the conditions proposed in the Draft permit that Corey prepared and emailed out to everyone. I believe that IDWR is waiting for Idaho Power to submit a stipulated withdrawal statement to Corey Skinner. John can you prepare that document and submit it to Corey?

Let's get this one wrapped up.
