Subject: Water Right Change of Ownership 77-7161, 77-10054, and 77-14280

Dear Patrick,

Enclosed on behalf of China Bar Ranch LLC, please find change of ownership documents for water rights 77-7161, 77-10054, and 77-14280. Also enclosed is a check for \$75 based on \$25 for each water right.

China Bar Ranch LLC acquired land with appurtenant water rights 77-7161, 77-10054, and 77-14280 from Jeanne Campbell on May 1, 2019. A warranty deed with legal description is provided.

- Water right licenses 77-7161 and 77-14280 are currently listed in the name of James Campbell (deceased) and Jeanne Campbell.
- Decreed water right 77-10054 is currently listed in the name of J B Scott. Scott sold the property to the Campbells in approximately 2004. The condition of approval on decree 77-10054 references parcel No. RP25N09E296310A which corresponds to the Campbell (now China Bar Ranch LLC) property. It is unknown why the ownership was not changed from Scott to Campbell in 2004.

In evaluating these water rights, we noticed that the point of diversion for 77-10054 is described in the current water right report as the SWSWSW of Section 29. This appears to be an error in the IDWR database, as the decree lists the point of diversion in the NWNW Section 32, which is identical to the described points of diversion for Campbell water rights 63-7161 and 63-14137. All three water rights are delivered through the same system.

Please contact me with any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Terry M. Scanlan".

Re: Change in Ownership for Water Right No(s): 77-7161, 77-10054, and 77-14280

Dear Water Right Holder(s):

The Department of Water Resources (Department) acknowledges the receipt of correspondence changing ownership of the above referenced water right(s) to you. The Department has modified its records and has enclosed a computer-generated report for you.

Updating the ownership record for a water right does not reconfirm the validity of the right. When processing a Notice of Change in Water Right Ownership, the Department does not review the history of water use to determine if the right has been forfeited or deliberately abandoned through five years or more of non-use. To read more about water right forfeiture, including how to protect a water right from forfeiture, please see Idaho Code §§ 42-222 and 42-223.

Please note, water right owners are required to report any change of water right ownership and any change of mailing address to the Department within 120 days of the change. Reporting forms are available from any office of the Department, or from the Department's website.

If you have any questions concerning the enclosed information, please contact me at (208) 334-2190.

Sincerely,
