7. Failure of the right holder to comply with the conditions of acceptance is cause for the Director to rescind acceptance of the lease.
8. Acceptance of a right into the bank does not, in itself, confirm the validity of the right or any elements of the water right, or improve the status of the right including the notion of resumption of use. It does not preclude the opportunity for review of the validity of this water right in any other Department application process.
9. In accordance with Idaho Code § 42-248 and § 42-1409(6), all owners of water rights are required to notify the Department of any changes in mailing address or change in ownership of all or part of a water right. Notice must be provided within 120 days of the change.
10. If a water right leased into the Water Supply Bank is sold or conveyed during the lease term, and if the leased right was rented, the rental proceeds will be disbursed in the following manner regardless of any arrangements between the buyer(s) and seller(s) to the contrary:
 - a. Rental payments will go to the lessor(s) of record at the beginning of the rental season, even if the Department processes a Notice of Change in Water Right Ownership during the rental season.
 - b. New lessor(s) of record will receive payment for any subsequent rental seasons.
11. The water right(s) is leased to the bank subject to all prior water rights and shall be administered in accordance with Idaho law and applicable rules of the Department of Water Resources.
12. The unleased portions of right Nos. 37-458A and 37-11550 are limited to a total combined diversion rate of 0.01 cfs for irrigation purposes and are limited to the irrigation of a combined total of 4 acres in a single irrigation season.
13. Domestic use under water right 37-11550 is limited to 0.61 cfs.

I grant to my agent full power and authority to do everything necessary in exercising any of the powers herein granted as fully as I might or could do if personally present and fully competent, hereby ratifying and confirming all that my agent shall lawfully do or cause to be done by virtue of this power of attorney and the powers herein granted.

1. **General Grant of Power.** My agent shall have power to exercise or perform any act, power, duty, right or obligation whatsoever that I now have or may hereafter acquire, relating to any person, matter, transaction or property, real or personal, tangible or intangible, or any interests therein, now owned or hereafter acquired by me (all collectively referred to herein as "property") including, without limitation, the powers specifically enumerated in this instrument. Generally, my agent shall have power to do and perform all matters, transact all business, and make, execute and acknowledge all contracts, orders, deeds, mortgages, leases, assignments, assurances, and instruments of every kind which may be requisite or proper to effectuate the purposes of this general power of attorney.

2. **Specific Powers.** Without in any way limiting the generality of the power and authority conferred upon my agent by this instrument, my agent shall have and may exercise each of the following specific powers:

a. **Power to Acquire and Sell.** To acquire, purchase, exchange, grant options and sell, assign, release, convey, mortgage, hypothecate, lease, and accept and take possession of real and personal property and interests therein, both tangible and intangible, upon such terms, conditions and covenants as my agent shall deem proper and to sign, seal, execute and deliver and acknowledge such deeds, leases, contracts, assignments, indentures, agreements, mortgages, deeds of trust, bills of sale, security agreements and related forms, exchange agreements, bills, bonds, notes, receipts, releases and satisfactions of mortgages, security interests, and judgments, and such other instruments in writing as shall be proper.

ii. To transfer from time to time any or all of my property to an existing trust which I may have created.

iii. To make gifts, grants or other transfers without consideration either outright or in trust to or for the benefit of my spouse or my descendants or a charitable organization, or more than one or all of them, including forgiveness of indebtedness and the completion of any charitable pledges I may have made; and for purposes herein to authorize the Trustee or Trustees of any trust agreement created by me to make such gifts or by which I may be a beneficiary, if in accordance with the terms of such trust agreement; to pay any gift tax that may arise by reason of such gifts.

iv. Exercise in whole or in part, release, or let lapse any power I may have under any trust whether or not created by me, including any power of appointment, revocation, or withdrawal, but a trust created by me may only be modified or revoked by the agent as provided in the trust instrument.

v. Loan any of the property of mine to my spouse or descendants of mine, or their personal representatives or a trustee for their benefit, the loan bearing such interest, and to be secured or unsecured, as the agent determines advisable.

vi. In general, and in addition to all the specific acts enumerated, do any other act which I can do through an agent for the welfare of my spouse, children, or dependents of mine or for the preservation and maintenance of other personal relationships of mine to parents, relatives, friends and organizations.

- A. Is the diversion works or system owned or managed by an irrigation district or water delivery company? Yes ☐ No ☒
If yes, provide written consent from the company, corporation or irrigation district authorizing the proposed sale or lease (Attachment 4A).

If your water right is delivered through a canal, lateral or ditch operated by a canal company, irrigation district, or similar delivery entity, your lease request must include written consent from the company, district, or similar entity for your removal of water from its system pursuant to Section 42-108, Idaho Code and IDAPA WSB Rule 37.02.03.25.02e.

- B. Please provide a description of the current water diversion and delivery system.

- E. Will the present place of use continue to receive water from any other source? Yes ☒ No ☐

If yes, explain the relationship between the different water sources and how enlargement of the authorized use will not occur if this water right is leased. Existing POU will continue to be irrigated with remaining portion (0.75 acres) under 37-458A and 37-11550.

- F. Identify annual volumes and/or rates of water diverted in the last 5 years to accomplish the beneficial use authorized by this water right. Property has been irrigated with 37-458A since partial decree in 2010, see 2015, 2016, 2017 and 2018 approved leases for 3.25 acres of 37-458A and 37-11550.

- G. Has any portion of this water right undergone a period of five or more consecutive years of non-use? Yes ☐ No ☒

If yes, describe the circumstances and attach evidence to demonstrate how the water right has not been lost through forfeiture (Attachment 4G). See Section 42-223, Idaho Code for exceptions to forfeiture. Your application may be denied if forfeiture concerns are not addressed. N/A.

- H. Is this water right involved in any other IDWR process, such as an application for transfer or a mitigation plan?

a. **Power to Acquire and Sell.** To acquire, purchase, exchange, grant options and sell, assign, release, convey, mortgage, hypothecate, lease, and accept and take possession of real and personal property and interests therein, both tangible and intangible, upon such terms, conditions and covenants as my agent shall deem proper and to sign, seal, execute and deliver and acknowledge such deeds, leases, contracts, assignments, indentures, agreements, mortgages, deeds of trust, bills of sale, security agreements and related forms, exchange agreements, bills, bonds, notes, receipts, releases and satisfactions of mortgages, security interests, and judgments, and such other instruments in writing as shall be proper.

b. **Borrowing and Banking Powers.** To borrow moneys on my behalf and to sign, seal, execute, deliver and acknowledge on my behalf such promissory notes, bills, bonds or other evidence of indebtedness and such mortgages, deeds of trust, security agreements, pledges, or other documents to secure the payment of borrowed funds as my agent shall deem proper; to make, receive and endorse checks and drafts, deposit and withdraw funds, acquire and redeem certificates of deposit, in banks, savings and loan associations, and other financial institutions, and to release such mortgages, deeds of trust, or other security instruments as may be necessary or proper in the exercise of the rights and powers herein granted.

iv. Exercise in whole or in part, release, or let lapse any power I may have under any trust whether or not created by me, including any power of appointment, revocation, or withdrawal, but a trust created by me may only be modified or revoked by the agent as provided in the trust instrument.

v. Loan any of the property of mine to my spouse or descendants of mine, or their personal representatives or a trustee for their benefit, the loan bearing such interest, and to be secured or unsecured, as the agent determines advisable.

a certified copy of this power of attorney by executing a form of the affidavit in Exhibit A of this instrument, and attaching it to a copy of this power of attorney. Such certified copy shall conclusively constitute proof on which any person may rely that this power of attorney is, on the date such affidavit is executed, in full force and effect in all respects, that my agent has no reason to believe that this power of attorney has been revoked, that my agent has in any way been deprived of the authority granted to my agent in my behalf, or that I am no longer alive.

7. Governing Law. This general power of attorney is executed and delivered in the State of Idaho and the laws of the State of Idaho shall govern all questions as to the validity of this power and as to the construction of its provisions.

Christine-

Attached is the signed lease page that you were missing. I forwarded the LPA, but have attached it again just in case. Please advise as to whether or not anything else is needed for lease approval, thank you.

Zach,

I spoke with Remington and here is what is still needed to move forward with this Lease Application for Goitiandia.

A power of attorney form signed by Miguel Goitiandia (which will take care of Attachment 1A request).

A signature of the last page of the Lease Application form was missed. The last page of this Lease Application form is attached.

Both documents POA and the lease application form can be sent to me via email.

I believe you are the agent processing Joe and Cheryl Goitiandia's water supply bank lease application for 37-458A and 37-11550. Miguel (Mike) Goitiandia, Joe and Cheryl's son, has Power of Attorney and signed the applications. A letter to Goitiandias dated March 15th 2019 requests additional information in the form of a signed Part 1A and map showing the location of acres to be idled. We assumed that due to authorization under the POA for a single signatory (Miguel Goitiandia), the signature on Attachment 1A was un-necessary but we can sign and submit, preferably via email, if needed. The map showing the acres to be idled is attached.

Please advise, thanks for your time.
