- b. Do you intend to make the transfer permanent? Yes
- c. Are you completely abandoning the lands previously irrigated by this right? If not, explain your plans:
No, it will diverted back from new point of diversion , now and then
as we rotate the ground irrigated by sprinkling. This is not for expansion
of acres but to consolidate the water so as to have enough in one diversion
to take care of the sprinkling system.
- d. Describe any other water rights that you claim for the new ground upon which you wish to transfer this right: _____
- e. Indicate on the above plat the new land to be irrigated and the point of diversion.

I hereby assert that no one will be injured by such transfer and that the change will be made at my own risk. The information contained in this application is true to the best of my knowledge.
