It was brought to the attention of the Department that when the original right, 75-87C, was split for an ownership change for Carm-Ida, it was done incorrectly. After further reviewing the the documents provided to the Department, some minor adjustments were necessary. These adjustments involved water rights 75-87C, 75-14802, 75-14877 & 75-14915.
