RE: Change in Water right Ownership 94-7538

Dear Teresa,

It was good to see you the other day. I'm glad things are going well for you. When I made copies of the deeds you brought in, I didn't realize they were for the cabin property in Shoshone County. I found the water license number for the cabin. If you want to change the ownership on that one as well, I filled out a Change of Ownership form for you and attached the deeds I had made copies of. All you have to do is verify the information is correct, sign and date the form, and send it back in with a check for \$25 made out to IDWR. The license on the cabin is not part of our adjudication, so that's why there is a fee on that one.

I went ahead and got copies of the deeds for the house from the recorders office so I can process the ownership change you brought in. That one will be processed on Monday the 13th and you will receive another letter letting you know it's been done.

If you have any questions or concerns, please feel free to give me a call at 208-762-2800.

Best Regards,
