Subject: Transfer Application

Hi Mikel,

I am processing the transfer you filed 4/17/2019 changing the point of diversion and place of use for water right 11-7772. I have encountered a small problem with the application. On the second page (see attached) the applicants are Mikel and June; however, you were the only one that signed the application. Considering the "Sales Agreement" for the water right only references your name, I believe the easiest option would be to remove June's name from the application, and proceed with you as the sole applicant. With your permission I will make this change, and proceed with the transfer. Please let me know if you have any questions/concerns.

Thank you,

Brian Normandeau, EIT
