Jean, Mr. Stokes called and indicated he'd talked to all 3 protestants and feels there is likely a resolution but they can't work it out themselves so he'd like to have a pre-hearing. I'm ok doing this one. Would you please start the scheduling?

Depending on how many people attend there may not be room here. I wouldn't be surprised if 3 to 5 people show up with each protestant. We should go for an larger room. There should not be call-ins so that increases the options a bit. Let me know when you get closer I'll help find a spot.
