Re: Contested Application for Permit No. 2-10573 - Fautt

Dear Mr. Miller:

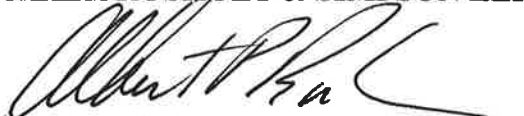

Thank you for your letter of April 24, 2019 regarding the protest filed by Wilder Irrigation District with respect to this application. I have spoken with Mr. Fautt about this protest.

Your letter requested that the applicant and protestant consider the best option for resolution of the application. Mr. Fautt and I have agreed that the Snake River water covered by this application should be conditioned to be supplemental to water delivered to the property by Wilder Irrigation District. If the Department is willing to include that condition on its approval to the water right, Wilder Irrigation District is prepared to withdraw its protest.

Please contact me if you have any questions.

Very truly yours,

BARKER ROSHOLT & SIMPSON LLP
