Re: 2019 Irrigated Acres on North Slope Property

Dear Blake:

As you are aware, the conditions of Water Right Nos. 25-57A, 25-57B, 25-59, 25-136B, 25-137B, 25-7494C, 25-7567, and 25-7592 require Foster Land & Cattle to notify the Department when they make any changes to the acres that they intend to irrigate with these water rights. These water rights allow for the irrigation of 2,457.1 acres. Attached is a map showing the acres that will be irrigated in 2019. The shapefile of these acres is also included.

If you have any questions, do not hesitate to contact me.

Best Regards,

Luke H. Marchant
Holden, Kidwell, Hahn & Crapo, P.L.L.C.
